

Create a campus culture where SLOs are understood and valued and where assessment functions as a resource leading to improved instruction, curricula, programs, and/or services. (2011)

POD – Bldg 6-144

2:30-4:00pm

Outcomes Committee

Present: M. Sanetrick, J. Chevalier, E. Woolery, D. Lamoree, D. Mirman, J. Judd, E. Lee, D. Landeros, S. Halabi

Absent: J. Ocampo, B. McNeice-Stallard

MINUTES (Apr 17, 2012)

- Membership
 - Two members will be leaving the OC next year, M. Sanetrick and S. Halabi.
 - We hope to increase the size and diversity of divisions for the OC next year.
- Review "Assessment Update"
 - The update was reviewed, amended, and is ready for publication.
- GEO Update
 - Area A (English) May 8, 2:30pm, 26A-1640
 - Area B (Science) April 27, 10:30am, 60-2302
 - Area C (Arts) May 24, 3:30pm, 4-1380
 - We discussed the idea of presenting AAC&U GE rubrics to these areas for their consideration and comment, should they wish to proceed in a different direction.
- TracDat changes
 - Jason is working with IEC and Kate Scott to simplify the screens and increase the clarity of course-level SLOs, by moving the resource information to the planning tab only.
- SLO update
 - Dan created new information sheets to be presented to the deans for Jason and Dan's visit to the Instruction Team on 4/25.
 - Discussed the need for including a qualitative review of the current assessment work being conducted by departments. Is such a review necessary for "proficiency" or "sustainability?"
- Norming exercise
 - Members participated in a norming exercise with Gail Ott from RIE.
 - Reviewed sample SLOs for specificity and measurability.
 - Reviewed use of results in terms of examination of findings and changes/revisions to curriculum or instruction.
 - Discussed providing some type of similar example to the website.
 - The discussion proved beneficial to the OC and similar training would presumably help the campus in their efforts as well.
 - Rubrics may need revision, which Gail has offered to do.
- The English Department suggested edits to the OC College goal
 - Current - The College will utilize assessment data to guide planning, curriculum design, pedagogy, and/or decision-making at the department/unit and institutional levels.
 - Suggestion – The College will utilize assessment data to guide planning in curriculum design and pedagogy by departments/units/programs.
 - While the OC does not like the suggestion, we discussed reviewing the goal further.
- David Mirman discussed his thoughts on SLOs and the Sciences, which was well received by the OC. Further, we would like Dave to share his thoughts at a campus forum next year.

AGENDA (May 1, 2012 2:30-4pm)

- GEO update
 - Area B discussion

- Review AAC&U examples
- Resources for GEO area leaders
- Norming update – Gail
- TracDat changes review and process update
- Accreditation update and responsibilities
 - SLO update responsibilities (Fall 2012)
 - Midterm report responsibilities (Spring 2013)
- Roundtable Discussion #2 – June 1, 10-12pm
 - Goals?
 - Questions?
 - Format?
- End of the year Report
 - We should create an end-of-the-year report to the AS (via C&I) to express our thoughts on the years' activities, as well as recommendations for the future.
 - Who would like to contribute? Other thoughts?
