MINUTES (Oct. 2, 2012)

- Proficiency update – Barbara
 - The Committee reviewed and made suggestions to the initial report. Anyone wishing to provide additional info, including examples and evidence, please send the material to Barbara by Mon, 10/8. Barbara thinks the College is in good shape, but that we should continue to work on quality and program-level outcomes.
- Review New Outcomes Plan
 - The Committee reviewed the new plan and made numerous suggestions that Jason will incorporate. We discussed the feasibility of having areas include outcomes at the creation of a course or degree and we will investigate.
 - While the document lacks punitive measures, this direction seems positive and further clarifies departmental responsibilities and timelines.
 - Jason will meet with Terri Long to ensure alignment with C&I activities.
 - Should the OC be charged with ensuring cross-departmental degrees are assessed?
