<p><b>8. Emergency Preparedness</b></p>	<p>Melonee discussed Emergency Management, Carlos discussed – Evacu chair is missing in Building 9E and Business Tech building</p>	<p><b>Melonee - Last month was Disaster preparedness month. First two weeks covered disaster service worker training, disaster survival training for grounds, facilities and general staff, Traffic and communication class, Red Cross shelter training, Melonee and Carlos trained on Evacu Chairs. (Evacu Chairs located on Risk Website under, Emergency Preparedness link) President’s cabinet had training, Bill, Steve and Dave were part of this training and will meet again in January. Melonee will meet with Access and Functional needs group American Disability Act. During Disaster preparedness month also had a drill for the Great Shake Out at Athletics and Facilities. Also will meet with Student Life to discuss on how to incorporate more student activities that involve the students.</b></p>
<p><b>9. Review of Training Information Provided to the committee</b></p>	<p>Committee discussed Training information, Carlos added student involvement. Have E-Board get involved on CPR training and allocate funding for training certificates</p>	

<p><b>10. Round the Table</b></p>	<p>Steve – Emergency Preparedness - discussed building evacuation plans, maybe we can support building managers to put the information out, it allowed us to update the floor captains, building marshals, and floor plans. Maybe we can move forward with this plan.</p> <p>Melonee – discussed she has as Risk Management share drive, has updated forms, there should be one page document for all.</p> <p>Donna – discussed building evacuation plans should be posted on Emergency Preparedness link for easy access for managers who work at multiple locations.</p> <p>Joe Jennum – Has a point person division who reached out to responsible parties to look at info making sure it’s accurate. Irene is a good contact person to communicate to Deans.</p> <p>Duetta – discussed, met with Abe wants to get involved with new hire orientation and safety plans.</p> <p>Carlos – discussed an employee skill set list, At Forklift Training that Keenan had she expressed all vehicles should have seat belts. If seat belt installed without a roll over protections we can be liable. Carts without seatbelts Trash Carts, John Deer Trash Carts, Golf Carts</p> <p>Also, discussed Parking lot ID signs – where is available funding to update signs? Also, discussed mandatory training on the CANRA California Child Abuse &amp; Neglect Reporting Law. Who should receive this training?</p>	<p><b>Melonee - Will send Email out to identify Building managers, she also completed emergency procedures as a wall chart for classrooms, updated a trifold which will be given out to students, request committee to review</b></p> <p><b>Dave – will research further on how to update signs</b></p> <p><b>Duetta - will follow up on Seat Belts and Roll Over Protection</b></p> <p><b>Duetta – will follow up on Child Abuse &amp; Neglect Reporting Law.</b></p>
