SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2022119056

Project Title: Mt. San Antonio College Radio and Communications Tower Replacement Project

Project Applicant: Mt. San Antonio Community College District

Project Location (include county): South of West Temple Ave, West of Bonita Dr, Walnut, County of Los Angeles

Project Description:

The project site is located south of West Temple Avenue and west of Bonita Drive within the southeastern portion of the Mt. SAC Campus in the City of Walnut, Los Angeles County, California. The project proposes to construct a new self-supporting 100-foot-high communication tower and related improvements, including outdoor equipment and a 6-foot-high chain-link fence. The proposed communications tower would replace the existing 40-foot-high tower, at a location slightly southeast of the existing tower on Reservoir Hill. The existing tower site consists of a power pole, concrete pad, chain-link fence, radio cabinet, steel pole with concrete base, transformer, power sub-panel, and telco cabinet. Removal of these facilities is included as part of the proposed project. A gravel pad, and two existing tanks with concrete support are also located on the site. The new 100-foot-high self-supporting tower is comprised of a pier foundation, one JamPro-JMPC single bay antenna, and three Browning-BR6155 antennas. The proposed tower would support 2-way communication for the campus associated with the Emergency Operations Center (EOC), the Alertus campus emergency mass notification system, and broadcast transmission for the campus radio station, 90.1 FM Mt. Rock.

This is to advise that the Mt. San Antonio College Community College District has approved the above (X)Lead Agency or () Responsible Agency)

described project on August 10, 2022 and has made the following determinations regarding the above (date) described project.

- 1. The project [] will [X] will not] have a significant effect on the environment.
2. [] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
[X] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [X] were [] were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [X] was [] was not] adopted for this project.
5. A statement of Overriding Considerations [X] was [] was not] adopted for this project.
6. Findings [X] were [] were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
