Instructions on saving and returning to the Quest Program:

Once you have registered, saved the password, and entered the course, you should be able to re-enter the course where you left off using the login information you provided at the time of registration.

Follow the instructions below to return:

1. Click on the original link that you were given by your professor
2. Login, using the same login credentials you originally used
3. Under the Courses dropdown at the top, select **Quest for Online Success – Mt. SAC**
4. Click on the Module in which you were previously working
5. Click **Next** at the bottom of the screen
6. Click **Load Smarter Measure in a new window** button

This should return you to the screen where you last left off.
