Account Information

Any unpaid fees that result after the semester begins will be placed on a financial hold. Financial holds will prevent students from enrollment, transcripts, withdrawals and prohibit access to certain campus services.

It is the student's responsibility to drop classes by the appropriate deadline as shown above. Students who remain enrolled after the refund deadline are not eligible for a refund and remain financially responsible for payment of fees even if they drop the class or are dropped by their instructor.

Students who have dropped or cancelled classes will receive a refund through their refund preference selected with BankMobile. For further information see <http://inside.mtsac.edu>. For the parking permit refund deadline see the current [Schedule of Classes](#).
