

**FREE for STUDENTS!**

# Accounting Conference

CalCPA Los Angeles Chapter is partnering with Mt. San Antonio College for the first ever Accounting Conference! Join this exciting day of events as an emerging accounting professional to hear from experienced financial professionals on a panel interview and learn from our keynote speaker who will be focusing on new trends, topics and experiences in the accounting field.

In addition, there will be an update on the upcoming new CPA exam changes. Don't miss this inaugural experience to network with your colleagues and meet professionals who can help you succeed in your accounting career!

Register today!
