Versatile Learning Tool:

- Individual student preparation
  - o Whether purchased by students directly, or sponsored by a nursing program
- Remediation between TEAS attempts
  - o For students who demonstrate aptitude for health sciences study but need to improve their TEAS scores
- Orientation for Admitted Students
  - o As a refresher for provisionally-admitted students or all students

Features:

- 65 lessons with more than 650 practice questions
- Pre & Post tests for Reading, Math, Science, and English & Language Usage
- Short quizzes at the end of each lesson to check comprehension
- Customized study plans based on students' pre-test performance.
- Students study efficiently with focused remediation that connects them with the content that requires further study

SmartPrep combines the breadth and depth of a textbook with the personalized focus of a personal tutor to deliver a comprehensive TEAS prep solution.
