6 10.03 Lunch Periods:

7 All unit members covered by this Agreement shall be entitled to an uninterrupted lunch period after
8 the unit member has been on duty for four (4) hours. The length of time for such lunch period
9 shall be for a period of no longer than one (1) hour or less than one-half (1/2) hour and shall be
10 scheduled for full-time employees at or about the midpoint of each work shift. Lunch periods and
11 rest periods cannot be combined to shorten the workday.

12 10.04 Rest Periods:

13 10.04.1 All bargaining unit members shall be granted rest periods which, insofar as practicable,
14 shall be in the middle of each work period at a rate of fifteen (15) minutes per four (4)
15 hours worked or major fraction thereof. Lunch periods and rest periods cannot be
16 combined to shorten the workday.

17 10.04.2 Specific periods may be designated only when the operations of the District require
18 someone to be present at the unit member's work site at all times. Such times shall be
19 mutually agreed upon between unit members and their immediate manager.

20 10.04.3 Rest periods of no more than thirty (30) minutes for extended day or special work shifts
21 shall be scheduled by the immediate manager. Unit members assigned to a 4/10
22 schedule shall be entitled to two (2), twenty (20) minute rest periods.

23 10.04.4 Rest periods are a part of the regular workday and shall be compensated at the regular
24 rate of pay for the unit member.

25 10.05 Overtime:

26 10.05.1 Unit members shall not work overtime without their immediate manager's prior approval.

27 10.05.1.1 Unit members will sign their acknowledgement of this policy and a record
28 will be retained in Human Resources.

29 10.05.1.2 Unit members may request approval for overtime work in writing in paper
30 form, via email, or through text message. Approval by the immediate
31 manager or other appropriate administrator must be provided in advance in
32 writing.

33 10.05.1.3 All unit members will report hours worked, including approved overtime,
34 monthly on the District approved time sheet.

35 10.05.1.4 Emergency situations do not require prior approval for unit member
36 overtime to be compensable. Emergency status of any such situation will be
37 based on evidence provided to the College President or designee. Every
38 attempt should be made by the unit member to notify their immediate
39 manager or other appropriate administrator for prior approval.

1 Nothing in this subsection shall abrogate unit members' rights under
2 relevant laws and regulations as interpreted by applicable case law.

3 10.05.2 When practical, overtime shall be offered by the unit manager first to unit members in
4 the same classification and same work unit who have worked the fewest number of
5 overtime hours in the last twelve months. When overtime hours are equal among the
6 unit members, preference shall be offered by seniority based on initial full-time hire date.

7 For overtime assignments on a scheduled holiday shift, the overtime assignment shall be
8 offered to those employees regularly assigned to that shift.

9 10.05.3 Except as otherwise provided herein, all overtime hours as defined in this section shall
10 be compensated at a rate of pay equal to time and one and one-half (1 1/2) the regular
11 rate of pay of the unit members for all work approved. Overtime is defined to include
12 any time worked in excess of forty (40) hours in any calendar week, or in excess of eight
13 (8) hours in any one (1) day or on any one (1) shift. Full-time employees working on an
14 alternative work schedule will be paid overtime for all hours worked in excess of the
15 required workday or workweek of forty (40) hours.

16 10.05.4 The workweek shall consist of not more than five (5) consecutive working days for any
17 unit member having an average of four (4) hours or more during the workweek. All hours
18 worked beyond the workweek of five (5) consecutive days shall be compensated at the
19 overtime rate commencing on the sixth (6) and seventh (7) consecutive day of work.

20 10.05.5 Unit members having an average workday of less than four (4) hours during a workweek
21 shall be compensated at the overtime rate commencing on the seventh (7) consecutive
22 day of work (Ed. Code § [88030](#)).

23 10.05.6 For the purpose of computing the number of hours worked, all time during which a unit
24 member is in paid status shall be construed as hours worked. Overtime shall be paid to
25 the nearest one-quarter (1/4) hour increment.

26 10.05.7 Any unit member shall have the right to reject any offer or request for overtime or call
27 back, on call, or call-in time, except that the least senior qualified unit member in the
28 classification shall be required to work overtime.

29 10.06 Split Shift Differential:

30 Unit members whose assigned shift contains one (1) or more periods of unpaid time whose total
31 exceed two (2) hours shall be paid a shift differential premium of five percent (5%) above the
32 regular rate of pay for all hours worked.

33 10.07 Shift Differential:

34 10.07.1 Unit members assigned to a five (5) day workweek, other than Monday through Friday,
35 shall receive an additional three percent (3%) of their base salary, including longevity
36 pay. Unit members regularly assigned to a night work schedule where one-half (1/2) or
37 more of their weekly hours are assigned from 11:00 p.m. to 7:00 a.m. shall receive an
38 additional five percent (5%) of their base salary, including longevity pay. Those
39 employees regularly assigned to a night work schedule where one-half (1/2) or more of
40 their total weekly hours are assigned after 4:00 p.m. shall receive an additional three
41 percent (3%) of their base salary, including longevity pay.

1 10.07.2 Unit members who receive a shift differential premium on the basis of their shift shall
2 suffer no reduction in pay, including differential, when assigned temporarily to a day
3 shift.

4 10.08 Compensatory Time Off:

5 10.08.1 Unit members may request to earn compensatory time-off in lieu of cash compensation
6 for overtime work. Such requests shall be made to the immediate manager at the time
7 the overtime is assigned. Compensatory time-off shall be accrued at the appropriate rate
8 of overtime hours.

9 10.08.2 Compensatory time shall be taken at a time mutually acceptable to the unit member and
10 the District or compensated by the District within twelve (12) months of the date on
11 which it was earned. Unit members shall not accumulate more than forty-five (45) hours
12 at any one-time.

13 10.08.3 Unit members shall submit compensatory time off requests in writing to their immediate
14 manager and Vice President for approval prior to taking the compensatory leave. The
15 immediate manager or Vice President shall reply to requests in a timely manner.

16 10.09 Minimum Call-In Time:

17 Unit members called in to work on a day when they are not scheduled to work shall receive a
18 minimum of four (4) hours pay at the appropriate rate of pay under this Agreement.

19 10.10 Callback Time:

20 Unit members called back to work after completion of their regular assignment shall be
21 compensated for at least four (4) hours of work at the overtime rate, irrespective of the actual time
22 less than that required to be worked. Callback shall be defined as an emergency request to return
23 to work.

24 10.11 Telephone Support During Non-Working Hours:

25 Notwithstanding any other sections of this agreement, any unit member who is called outside their
26 regularly scheduled work hours to perform work which the unit member is able to perform without
27 returning to the college campus (or other designated work site) shall receive a minimum of one
28 (1) hour of pay at the appropriate rate of pay under this Agreement. No unit member shall be
29 required or expected to be available during non-work hours.

30 10.12 Use of Personal Telephones:

31 Unit members shall not be required or expected to use their personal telephones for work-related
32 matters.

33 10.13 Summer Schedule and Summer Schedule Leave:

34 This article establishes a Summer Schedule, which commences each year on the Sunday of or after
35 commencement and extends for a period of eight (8) weeks. The Summer Schedule will be
36 implemented as follows:

37 10.13.1 The workweek shall be defined as Monday through Thursday.

38 10.13.1.1 The workweek for Public Safety Officers shall be an exception, but this
39 Article shall apply in all other regards.

1 **ARTICLE 11: HOLIDAYS**

2 11.01 Right to Negotiate Holidays:

3 Upon entering into negotiations regarding holidays with any other bargaining unit, the District shall
4 open negotiations on said holidays with CSEA, Chapter 262.

5 11.02 Scheduled Holidays:

6 The District agrees to provide all unit members with nineteen (19) paid holidays as specified in
7 [Appendix H](#).

8 11.03 Additional Holidays:

9 Every day declared by the President of the United States or Governor of this state as a public fast,
10 mourning, thanksgiving, or holiday, or any declared holiday by the governing board of the District
11 shall be a paid holiday for all unit members if the College President closes the campus in
12 observance.

13 If the College President does not close the campus in observance, unit members shall be granted
14 eight (8) additional floating holiday hours on a prorated basis equivalent to a full-time one hundred
15 percent (100%) assignment to be used in the same fiscal year.

16 11.03.1 Summer Schedule Holiday – When a holiday is designated during the summer schedule
17 and falls on a Friday or Saturday, the holiday will result in ten (10) additional floating
18 holiday hours, pro-rated for less than one hundred percent (100%) employees. When a
19 historic holiday falls on a Sunday, the holiday shall be observed on the Monday following
20 the holiday. In these two situations, the historic date of the holiday will also be
21 compensated at the holiday pay rate as specified in [11.04.2](#). These floating holiday hours
22 are subject to the same provisions specified in [11.05](#). Unit members hired after the
23 holiday(s) designated during the summer schedule shall not be entitled to these
24 additional floating holiday hours for the contract year.

25 11.03.2 Calendar Coordination – The District agrees to convene a meeting early each fall
26 semester of all parties having an interest in the annual District Calendar, specifically the
27 Academic Calendar and the CSEA 262 and 651 Work Calendars. The purpose of this
28 meeting shall be to exchange information and discuss issues related to both the
29 Academic Calendar and the Work Calendars.

30 11.03.3 Winter Intersession – In circumstances in which the first day of instruction of winter
31 intersession is preceded by a weekday holiday, the District and CSEA 262 will mutually
32 agree to designate job classifications and assignments essential to preparation for the
33 beginning of winter intersession and thus will be called in to work on that holiday. Those
34 unit members so designated shall be compensated as specified in Article [11.04.2](#).

35 11.03.4 Holiday Work Assignments – When the observed holiday is not the historic holiday, no
36 employee shall be required to work both days. Assignments to work on the holiday will
37 be on a seniority or rotation basis, mutually agreed to by the District and CSEA.

38 11.03.5 Christmas and New Year’s Days – When December 25th and January 1st fall on a
39 Saturday or Sunday, the hours worked on those days will be compensated at the holiday
40 pay rate as specified in [11.04.2](#). When a unit member is normally scheduled to work
41 those Saturday or Sunday dates, they will only receive their regular salary rate plus 50%
42 of that rate. The total effective rate for those days will be the overtime rate (150%).

1 This also applies to the Summer Schedule Holidays contract language (11.03.1) holiday
2 for all unit members.

3 11.04 Holiday Eligibility:

4 11.04.1 Except as otherwise provided in this Article, unit members who are not normally assigned
5 to duty during the school holidays of New Year's Day and Winter Recess shall be paid
6 for these holidays provided they were in paid status during any portion of the working
7 day of their normal assignment immediately preceding or succeeding the holiday period.

8 11.04.2 Holidays with pay shall be granted to unit members who are in paid status on the days
9 immediately preceding or following the holiday. Any work performed on a holiday is
10 considered overtime.

11 11.04.3 Unit members employed full-time, one-hundred percent (100%), shall be granted
12 holidays at the rate of eight (8) hours per holiday except the 4th of July holiday which is
13 10 hours as specified in Article 10.13. Part-time unit members shall be granted holidays
14 with pay on a prorated basis equivalent to a full-time one hundred percent (100%)
15 assignment.

16 11.05 Floating Holidays:

17 11.05.1 Unit members shall be granted twenty (20) floating holiday hours per contract year.
18 These hours are granted in lieu of calendared holidays, shall be available for use at any
19 time within the contract year and may be used in quarter-hour increments.

20 11.05.1.1 Floating holiday hours are granted as a benefit for the following reasons:

- 21 • Good Friday/Spring Break (8 hours)
- 22 • Parity with other employee group (8 hours)
- 23 • Summer schedule adjustment (4 hours)

24 11.05.2 Floating holiday hours are not a property right, may only be used in the period in which
25 they are granted, and do not accumulate if left unused. Unit members hired late in the
26 fiscal year may not have adequate time to schedule all of their floating holiday hours due
27 to District operational needs.

28 11.05.3 Floating holiday hours must be requested in writing and must be approved in advance
29 by the unit member's immediate manager. If no response is received within five (5)
30 working days, the request will be considered approved.

31 11.05.4 If the immediate manager denies the unit member's initial request for use of a floating
32 holiday hours, a reason for the denial must be given in writing within five (5) working
33 days of the request. If denied, the immediate manager and the unit member shall
34 mutually agree to an alternative date.

35 11.05.5 Less than full-time one hundred percent (100%) unit members, shall earn pro-rata
36 floating holiday hours based on the percentage of employment. When a unit member
37 changes employment percentages during the fiscal year, the District and CSEA will confer
38 about the request from the employee and mutually agree on a fair and equitable solution,
39 which shall not be precedent setting.

1 11.06 In Lieu of Holidays:

2 11.06.1 When a scheduled holiday falls on a unit member's non-working day, the unit member
3 will be provided with a substitute holiday to be taken within five (5) working days before
4 or after the scheduled holiday as approved by the unit member's immediate manager.

5 11.06.2 When a unit member works on a scheduled holiday, the unit member will be paid the
6 rate specified in [11.04.2](#), unless the unit member request a substitute holiday to be taken
7 within five (5) working days before or after the scheduled holiday as approved by the
8 unit member's immediate manager.

9 11.07 Holiday Work Schedules:

10 11.07.1 Full-time unit members working an alternate work schedule shall be provided an
11 opportunity to temporarily return to a standard, five (5) day per week, eight (8) hour
12 per day work schedule, with immediate manager approval, to accommodate weeks with
13 holidays.

14 11.07.2 Part-time unit members shall be provided an opportunity to temporarily adjust their work
15 schedules, with immediate manager approval, to accommodate weeks with holidays, so
16 long as their workday does not exceed eight (8) hours.

1 **ARTICLE 12: VACATION**

2 12.01 Paid Vacation:

3 All unit members shall earn paid vacation time under the provisions of this Article.

4 12.02 Vacation Eligibility:

5 12.02.1 To be eligible to earn vacation, unit members must be in paid status during the month
6 equal to fifty percent (50%) or more of the total hours required by the assignment.

7 12.02.2 Probationary unit members shall be eligible to accrue and use vacation during their initial
8 six (6) months of employment. However, vacation shall not be deemed earned until
9 completion of the initial six (6) months of employment. Upon separation of employment,
10 the District shall deduct from a probationary unit member's final pay the full amount of
11 salary, which was paid for any unearned days of vacation taken. (EDC Section [88197](#))

12 12.03 Vacation Accrual:

13 Vacation time shall be earned and accrued in hours based on the unit member's longevity date on
14 a monthly basis according to the following schedule:

15	6 months through 5 years	08.00 hours (Refer to 12.02.2) (12 days)
16	Beginning 6 years through 8 years	10.67 hours (16 days)
17	Beginning 9 years through 13 years	13.34 hours (20 days)
18	Beginning 14 years through 19 years	14.67 hours (22 days)
19	Beginning 20 years and on	16.00 hours (24 days)

20 12.03.1 Unit members who work less than twelve (12) months shall accrue vacation hours based
21 on the equivalent number of months in paid status.

22 12.03.2 Unit members who work less than a full-time one hundred percent (100%) assignment
23 shall accrue vacation hour's prorated proportional to their assignment.

24 12.03.3 The maximum number of hours a unit member may accrue at any time shall be equal to
25 twice the number of hours the unit member earns in any one fiscal year as provided in
26 Section [12.03](#) of this Article. To ensure that the unit member does not exceed the
27 maximum allowed accrual, the unit member will meet with the manager to discuss a
28 mutually agreeable time for the unit member's vacation. If a mutually agreeable time
29 causes the unit member's vacation maximum to be exceeded, the manager and the
30 employee will document a plan to bring the vacation hours below the maximum by the
31 end of the fiscal year, with the unit member continuing to accrue vacation until the plan
32 is implemented. The documented plan will be sent to the Payroll Department and a copy
33 to the Chapter President. This article does not supersede Article [13.05.4](#).

34 12.03.4 The District will provide a report to the Chapter President on a monthly basis identifying
35 unit members who are within two (2) months of reaching their maximum accrual of
36 vacation.

37 12.04 Holidays (During Vacation):

38 When a holiday falls during the scheduled vacation of any unit member, the day shall not be
39 charged as a vacation day.

- 1 12.05 Vacation Scheduling:
- 2 12.05.1 Unit members shall submit vacation requests in writing to their immediate manager and
3 Vice President for approval prior to taking the vacation leave. The immediate manager
4 or Vice President shall reply to requests in a timely manner, typically within ten (10)
5 working days.
- 6 12.05.2 Vacations shall be scheduled at times requested by unit members so far as possible
7 within the District's work requirements.
- 8 12.05.3 If there is any conflict between unit members who are working on the same or similar
9 job duties as to when vacations shall be taken, the vacations shall be rotated as equally
10 as is practical among unit members within each department.
- 11 12.06 Vacation Interruption:
- 12 12.06.1 Unit members may interrupt or terminate vacation leave and begin another type of paid
13 leave without returning to active service. (EDC Section [88200](#))
- 14 12.06.2 Unit members who interrupt or terminate vacation leave shall provide the District with
15 adequate notice and relevant supporting information. (EDC Section [88197](#))
- 16 12.07 Separation or Termination of Employment:
- 17 12.07.1 Unit members shall receive a lump-sum payment for all unused earned and accrued
18 vacation hours on the last working day of the month following separation from service.
19 The lump sum payment shall not exceed twice the number of hours the unit member
20 earns in any one fiscal year.
- 21 12.07.2 Unit members who have not completed their initial six (6) months of employment are
22 not entitled to compensation for accrued vacation. (EDC Section [88197](#))

1 **ARTICLE 13: LEAVES OF ABSENCE AND RELATED MATTERS**

2 13.01 Bereavement Leave:

3 Unit members shall be entitled to a maximum of five (5) days leave of absence, or seven (7) days
4 leave of absence if travel of more than two hundred (200) miles one way is required, without loss
5 of salary, on account of the death of any member of their immediate family. Immediate family shall
6 include the following for the employee: mother, father, grandmother, grandfather, grandchild,
7 step-parent, step-child, step-sibling, great-grandparent, great-grandchild, spouse, son, son-in-law,
8 daughter, daughter-in-law, brother, sister, brother-in-law, sister-in-law, aunt, uncle, niece,
9 nephew, cousin, registered domestic partner, or any other member of the immediate household.
10 For the spouse/registered domestic partner of the employee: mother, father, grandmother,
11 grandfather, grandchild, stepparent, stepchild, stepsibling, great-grandparent, great-grandchild,
12 aunt, uncle, niece, nephew, or cousin. Such leave shall not be charged against sick leave.

13 Unit members employed full-time, one-hundred percent (100%), shall be entitled to bereavement
14 leave at the rate of eight (8) hours per day. Part-time unit members shall be entitled to
15 bereavement leave on a prorated basis equivalent to a full-time one-hundred percent (100%)
16 assignment.

17 The District may require a unit member to submit documentation that verifies the use of any
18 bereavement leave. Any request for verification must be submitted to Human Resources.

19 13.02 Court Leave:

20 In accordance with Education Code Section [87035](#), an employee may be absent from duty, without
21 loss of salary, in order to appear as a witness in a court other than as a litigant, to serve on a jury,
22 or to respond to an official order from another governmental jurisdiction for reasons not brought
23 about through the connivance or misconduct of the employee. A copy of any official order to appear
24 must be submitted to verify the absence.

25 13.03 Jury Duty Leave:

26 A leave of absence without loss of salary shall be granted to a unit member who is officially called
27 for jury duty. Juror's fees, excluding mileage, received by the unit member shall be signed over to
28 the District. In the case of jury duty, an official court form signed by the court clerk verifying the
29 days and hours of duty rendered must be submitted. Where a fee is payable, other than mileage
30 reimbursement, the amount of such fee shall be signed over to the District. The unit member shall
31 receive their regular salary due for the period of absence.

32 13.03.1 Notification – Upon receipt of notification of jury duty obligation to be served during work
33 hours on days of assigned service, the unit member shall notify their immediate manager
34 as soon as possible.

35 13.03.2 Reporting to Work – Unit members who are required to call during the workday for
36 possible jury duty service shall report to work. Upon notification of jury duty service, the
37 unit member shall immediately notify their immediate manager. Unit members who are
38 required to report for jury duty service do not have to report to work on that day.

39 Unit members, including those who are working a 9/80 or a 4/10 work schedule shall
40 work the traditional day shift Monday through Friday (8 hours per day) in weeks of jury
41 duty service.

1 13.05.7 A unit member who has been absent due to illness, injury, or quarantine for more than
2 five (5) consecutive working days shall submit to Human Resources a signed statement
3 from a licensed physician or licensed practitioner indicating that they are able to resume
4 their District responsibilities.

5 13.05.8 A unit member shall contact their immediate manager as soon as the need to be absent
6 is known. Contact shall be made each day thereafter, no later than the start of the normal
7 working hours for the unit member, unless there is an anticipated duration of the
8 absence. When the anticipated duration of the absences is known, the unit member shall
9 inform their immediate manager of their absence once, on the first day of the absence.

10 13.06 Family Illness Leave:

11 Unit members may use any accrued leaves, to include sick and vacation, as well as any available
12 floating holiday hours for family illness leave to attend to the illness of a child, parent (to include
13 step parents and parents-in-law), spouse, or registered domestic partner of record.

14 13.06.1 One-hundred half days (100 ½ days) are not considered accrued leaves for the purpose
15 of family illness leave, and may only be used for a unit member's own illness.

16 13.06.2 In the event a unit member is absent from work due to illness of a family member, the
17 unit member shall make every effort to notify the unit member's immediate manager as
18 soon as possible, but no later than the usual time the unit member would be required to
19 report for duty.

20 13.06.3 A unit member who is absent due to illness of a family member shall report the absence
21 as Family Illness Leave on the monthly timesheet. The District may request
22 substantiation of any claim for Family Illness Leave.

23 13.06.4 The District shall not deny a unit member the right to use sick leave for the above-stated
24 purpose and shall not subject the unit member to any disciplinary action for exercising
25 or attempting to exercise the right to use sick leave.

26 13.07 Family Medical Leave Act/California Family Rights Act:

27 It is the intent of the District to comply with the [Family Medical Leave Act of 1993](#) and the [California](#)
28 [Family Rights Act](#). The District shall grant up to twelve (12) workweeks of unpaid leave to eligible
29 employees during any twelve (12) month period for one or more of the following reasons:

- 30 • The birth and care of a new born child of the unit member;
- 31 • Placement with the unit member of a son or daughter for adoption or foster care;

- 36 • For qualifying exigencies arising out of the fact that the unit member's spouse, son, daughter,
37 or parent is on active duty or called to active duty status as a member of the National Guard
38 or Reserves in support of a contingency operation.

39 13.07.1 The California Family Rights Act (CFRA) guarantees employees 12 weeks of protected
40 leave to bond with a child, herein referred to as "Baby Bonding Leave."

41 13.07.1.1 Baby Bonding Leave must be taken within the first 12 months of the child's
42 arrival in the home

- 1 13.07.1.2 Notwithstanding any other provision of CFRA, in the event that both parents
2 are employees of the District, the District shall grant a maximum of 12
3 weeks of Baby Bonding Leave to each parent who is a unit member.
- 4 13.07.1.3 In the event both parents work in the same department, office, worksite,
5 etc., the 12 weeks of Baby Bonding Leave may be required to be taken
6 nonconcurrently.
- 7 13.07.1.4 To the extent practicable, Baby Bonding Leave as outlined in 13.7.1.2 shall
8 be coordinated with both parents and Human Resources so as to cause
9 minimal disruption to district operations.
- 10 13.07.2 If FMLA is designated, a unit member has the option, but is not required, to use accrued
11 leave credit. Prior to utilizing the extended sick leave benefit, all sick leave must be
12 exhausted (see section [13.10.](#))
- 13 13.07.3 Prior to returning from personal medical leave; the unit member must file a doctor's
14 certificate with the Office of Human Resources verifying the unit member's good health
15 and ability to resume the duties of the position.
- 16 13.07.4 Return from Leave – A unit member must give notification of at least fifteen (15) calendar
17 days prior to the expiration of the leave that they are returning to active service. The
18 unit member shall be reinstated to the same or an equivalent job with the same pay,
19 benefits, and terms and conditions of employment upon their return from FMLA-
20 protected leave. If the leave extends beyond the end of the FMLA entitlement, the unit
21 member does not have return rights under FMLA.
- 22 13.08 Paid FMLA Leave:
- 23 A unit member on any verified FMLA leave (see section 13.07), who is not on probation, is entitled
24 to a maximum of one hundred sixty (160) hours, prorated based on percentage of assignment,

1 **ARTICLE 14: TRANSFERS AND RELATED MATTERS**

2 14.01 Definition of Transfer:

3 A transfer is defined as a voluntary or temporary change in department or immediate manager
4 within the same related or different classification at the same salary range.

5 14.02 Posting of Vacancy Notices:

6 14.02.1 When a newly created position or an existing position becomes vacant, the vacancy
7 notices shall be distributed to all worksites within a minimum of seven (7) working days
8 prior to public posting to allow for transfers.

9 14.02.2 Any unit member on leave during the period of the distribution, who would be affected
10 by a lateral transfer opportunity, shall be notified on the distribution date, if requested
11 by the unit member prior to going on leave. The unit member is responsible for notifying
12 the District of the preferred method of communication.

13 14.03 Increase in Percentage of Employment:

14 14.03.1 The District may increase the percentage of employment of a position within a
15 classification, which is less than one hundred percent (100%.)

16 14.03.2 Unit members within the same classification in a department shall be considered for the
17 increase in percentage of employment as determined by their immediate manager. If
18 the skills and qualifications are equal, the selection shall be determined by seniority.

19 14.03.3 As with any other change in working conditions, an increase in percentage of
20 employment of a position is subject to negotiation.

21 14.04 Voluntary Lateral Transfers:

22 14.04.1 Any unit member in the bargaining unit may apply for transfer to a new vacant position
23 by filing written notice with the Office of Human Resources.

24 14.04.2 When a new position is created or an existing position becomes vacant, the District shall

26 classification in the District.

27 14.04.3 Unit members who request a transfer shall be given consideration for the transfer based
28 upon, but not limited to, seniority, job performance, qualifications, and the needs of the
29 District. The supervisor will make the final selection.

30 14.04.4 This subsection addresses circumstances for which a voluntary transfer may address an
31 issue that has not been resolved through other means specified within this agreement.
32 Either the President/CEO of the District or the President of CSEA 262 may propose that
33 such a situation exists that might best be remedied under this subsection. Such a
34 proposal shall be in writing and specify only the affected employee and a brief description
35 of the situation. Within ten (10) working days of the receipt of this request, the parties,
36 or their designees, shall meet to consider the option of a mutually beneficial voluntary
37 transfer of the employee. The period of consideration shall not exceed sixty (60) days
38 during which both parties agree to expeditious dialog. Any existing or pending
39 disciplinary action shall be suspended during this process. Both parties commit to
40 confidentiality of all involved. Nothing disclosed during this process shall be used in a
41 disciplinary process and no entry into the affected employee's personnel file shall be

2 requirements will be followed. If both parties and the affected employee agree to a
3 voluntary transfer, that action will be subject to approval by the Board of Trustees at the
4 next regularly scheduled Board meeting. A voluntary transfer under this subsection does
5 not require a vacant position and may be either a lateral transfer or a transfer into a
6 position for which the affected employee meets minimum job qualifications as specified
7 in the current job description. A transfer under this subsection will require an evaluation
8 within six months after which the regular intervals of evaluation will resume.

9 14.05 Short-Term Transfers (Out of-Class Assignments):

10 The manager shall contact the Vice President of Human Resources or his/her designee before a
11 unit member is temporarily transferred to a position of equal or higher salary range, which may
12 include an increase in percent of employment, in order to substitute for a unit member, or to assist
13 in a special work assignment. These changes in assignment may be made for up to six (6) months
14 upon mutual written agreement between the CSEA 262 President and the Vice President of Human
15 Resources or his/her designee. After six (6) months, the unit member will be returned to their
16 regular assignment, unless otherwise extended by mutual agreement.

17 14.05.1 Unit members in the department shall be considered for the short-term assignment
18 based on necessary skills and qualification, as determined by the immediate manager.
19 The supervisor will make the final decision.

20 14.05.2 During a short-term transfer, the unit member will receive the rate of pay and benefits
21 of the temporary classification. If the transfer is to a classification at a higher salary
22 range, a minimum 5% salary increase shall be granted. If the transfer is to a classification
23 at a lower salary range, the salary shall remain at the current range and step.

24 14.05.3 A unit member shall have the right to refuse an offer or request for short-term transfer.

25 14.06 No Adverse Effect Due to Transfer:

27 Salary Schedule, their anniversary date nor accumulated benefits. Unit members are transferred to
28 another class, their seniority in that class shall begin on the date of transfer.

1 **ARTICLE 16: EVALUATIONS**

2 16.01 Performance Evaluations:

3 Timely and effective performance evaluations acknowledge the unit member’s value to the College and
4 provide a framework for positive discussion with unit members regarding their contributions to the College,
5 professional development, and recognition of specific contributions to accomplishing the College’s mission
6 and goals. Timely and effective performance evaluations ensure that unit members and managers engage
7 in regular conversations regarding the job performance and provide opportunities for encouraging
8 improvement. Regular performance evaluation of all unit members provides the institution with the
9 opportunity to ensure the effectiveness of its human resources in alignment with accreditation standards.
10 Successful performance management is an ongoing and continuous process involving interactive and open
11 communication between the evaluator and the unit member whose performance is being evaluated. The
12 performance management process continues throughout the year with regular communication and
13 feedback between the evaluator and unit member. Doing so encourages a higher level of performance and
14 ensures compliance with collective bargaining agreement requirements, accreditation standards, and
15 campus practices concerning preparation and delivery of written performance evaluations as regular
16 intervals. (See [Appendix C: Classified Employee Evaluation Form.](#)) The performance evaluation procedures
17 are as follows:

18 16.01.1 Evaluations shall be performed by the evaluator, who is a manager designated by the
19 District, and shall only focus on the unit member’s job performance.

20 16.01.2 Permanent Status Unit Members Are Evaluated on an Annual Basis – A permanent status
21 unit member’s evaluation shall cover the unit member’s job performance for the last
22 twelve (12) month period defined by the unit member’s appointment date. Probationary
23 unit members are evaluated after two (2) months and five (5) months. Probationary
24 evaluations shall be completed prior to the end of the probationary period.

25 16.01.3 Evaluators should engage in ongoing communication with the unit member regarding
26 performance issues.

27 16.01.4 Performance evaluations for those unit members working out-of-class shall not be based
28 solely on the specific job duties of the out-of-class position.

29 16.01.5 No evaluation shall be made based upon hearsay statements.

30 16.01.6 No evaluation of any unit member shall be placed in any personnel file without an
31 opportunity for discussion between the unit member and the evaluator.

32 16.01.7 Upon request, CSEA 262 will be provided with a list of the unit member-evaluator
33 relationships of its members.

34 16.02 Performance Evaluation Meeting:

35 Performance evaluations shall be considered confidential. The evaluator shall not belong to the
36 classified bargaining unit.

37 16.02.1 Unit members will be given no less than two (2) working days of notice prior to any
38 scheduled evaluation meeting with the evaluator.

39 16.02.2 Unit members will be provided with a copy of their completed evaluation a minimum of
40 two (2) working days prior to the evaluation meeting. This provides the unit member an
41 opportunity to review the evaluation and identify any areas of concern, which may then
42 be discussed with the evaluator during the performance evaluation meeting.

- 1 16.02.3 The unit member and evaluator shall sign one (1) copy of the performance evaluation
2 form at the end of their meeting. The unit member's signature acknowledges receipt of
3 the evaluation. Signing the performance evaluation form does not constitute the unit
4 member's agreement with the performance evaluation. The evaluator shall provide the
5 unit member with a copy of the evaluation.
- 6 16.02.4 Evaluators shall forward the completed performance evaluation form to Human
7 Resources within five (5) working days of the evaluation meeting.
- 8 16.03 Professional Growth Plan:
- 9 Professional Growth Plans are recommended as an effective practice as part of the unit member's
10 evaluation. The purpose of a Professional Growth Plan is to encourage the continuous quality
11 improvement of both the work of the unit member and the work of the unit. There is no
12 presumption of deficiency as the unit member already meets or exceeds expectations. Activities
13 are intended to strengthen current performance capabilities or to enhance skills and abilities for
14 the unit member to exceed expectations. Elements of the plan may be generated by either the unit
15 member or the evaluator and are mutually agreed upon. The Professional Growth Plan constitutes
16 a commitment by the evaluator to support and provide resources for planned activities of the unit
17 member and a commitment by the unit member to participate in the planned activities and use the
18 results to improve both individual performance and that of the unit. Professional Growth Plans are
19 also reviewed and approved by the evaluator's superior who also assumes a commitment to support
20 the plan.
- 21 16.04 Negative Performance Evaluations:
- 22 16.04.1 The unit member shall have the right to review and respond to any negative evaluation
23 in accordance with Article 15.01.5 Personnel Files, except that the unit member shall be
24 given a minimum of fifteen (15) working days to attach a written response. The unit
25 member has the right to union representation during this process.
- 26 16.04.2 A unit member may review the judgment and recommendations of their evaluator with
27 the next highest manager or the Vice President of Human Resources or their designee
28 who shall provide the unit member with a response within fifteen (15) working days or
29 as mutually agreed.
- 30 16.04.3 Performance criterial marked as "needs improvement" on the evaluation will require the
31 development of a Needs Improvement Plan.
- 32 16.04.4 The Needs Improvement Plan will consist of specific recommendations for improvements,
33 specific observable outcomes to meet expectations, a timeline of sixty (60) days, within
34 the annual assignment period and excluding leave days, in which to improve, and
35 provisions for assisting the unit member in implementing any recommendations made.
36 This Needs Improvement Plan shall be created by the evaluator in consultation with the
37 evaluator's superior, Human Resources, and CSEA 262, prior to issuance to the unit
38 member.
- 39 16.04.5 At the conclusion of the sixty (60) day Needs Improvement period, the evaluation
40 process shall be repeated on deficient criteria. If the evaluator finds that all deficiencies
41 have been adequately remediated, no further action is needed, and the evaluation will
42 proceed to conclusion. If performance criterial of "needs improvement" remain, the
43 Needs Improvement Plan process will be repeated with remediation specified for existing
44 deficiencies.

1 16.04.6 At the conclusion of the second sixty (60) day Needs Improvement Plan period, the
2 evaluation process will again be repeated on deficient criteria. A finding of full
3 remediation concludes the process. However, a finding of remaining deficiencies may
4 constitute the basis for discipline.

5 16.05 Standards and Training for Performance Evaluations and Rating Elements:

6 Training for unit members on the performance evaluation process will be developed and presented
7 by the District and CSEA 262 and be made available online at the District's expense.

8 16.06 Grieving an Evaluation:

9 A unit member may file an appeal through the established grievance procedures only on the
10 grounds that the evaluation procedures specified in this Article have not been followed in the
11 preparation of their evaluation.

12 16.07 Term of Employment and Supervision:

13 Upon election as a classified unit member, the person shall serve as a probationary unit member
14 for a period of six (6) months of service following the date of his or her employment. The
15 probationary period can be extended up to six (6) months by mutual written agreement between
16 the District and CSEA, Chapter 262. The intent of the extension is to assist the unit member to
17 obtain permanent employment.

18 16.08 Discipline:

19 Nothing in this Article shall preclude the District from applying discipline as authorized by Board
20 Policy and Administrative Procedure nor should it abridge the rights of the unit members regarding
21 discipline as specified in [Article 24](#).

1 **ARTICLE 17: CLASSIFICATION PROCEDURES**

2 The intent of this Article is to ensure that:

- 3 1. Unit members perform duties within the scope outline in their job descriptions.
- 4 2. Duties performed beyond a unit member's job description will be assigned in a manner that follows
5 statutory requirements (EDC Section [88000](#), et seq.).
- 6 3. Clear, consistent, equitable processes are utilized for changes in unit members' job descriptions,
7 compensation, and assigned job classifications.
- 8 4. Regular reviews of entire classes of job descriptions are completed to ensure currency in District needs
9 for employees, competitive qualifications, and compensation of employees, and collaborative processes
10 to make such changes.
- 11 5. Equitable treatment is provided for all unit members, including opportunities to participate in the
12 reclassification process.
- 13 6. Adequate timelines are established to prevent unnecessary delays that may result, intentionally or
14 unintentionally, in improper alignment of unit member's duties and compensation with that specified
15 in their job descriptions.

16 17.01 Definitions:

17 17.01.1 Reclassification: For purposes of this agreement, "reclassification" shall mean the
18 upgrading of a position to a higher classification as a result of the gradual increase of
19 the duties being performed by the incumbent in that position. Ed. Code Section 88001(f).
20 As used in Section 17.02 of this Article, the reclassification procedure results in the
21 movement of one or more unit member(s) from their current classification to a higher
22 existing classification.

23 17.01.2 Pay Grade Change: Each job classification within the CSEA 262 unit may have more than
24 one pay grade in the Salary Schedule. Unit members may be placed in a higher pay
25 grade based on education, training, or skills, which are beyond minimum qualifications
26 for the position and are of value to the District for the performance of those duties.
27 Where such additional pay grades are established in the Salary Schedule for a job
28 classification, they shall apply to all incumbents in that classification who are deemed to
29 meet the criteria. Approved pay grades appear in [Appendix A](#)

30 17.01.3 as part of the Salary Schedule. Establishment of a higher pay grade will not alter the job
31 duties, minimum qualifications, or range assignment. Unit members may be placed in a
32 higher Salary Schedule pay grade upon hire, transfer, or through the process described
33 in Article 17, Section [17.03](#) and Article 8, Section [08.05](#), which also describes the process
34 for creating such higher Salary Schedule pay grades.

36 California Public Employees' Retirement System in [CCR Title 2 §571\(a\)\(4\)](#) and

38 apply for Special Compensation by submitting the request form in Appendix D-2 to
39 Human Resources for processing.

41 descriptions and range placements of an entire job classification or to establish a new
42 job classification following the process as described in Section [17.06](#) of this Article and
43 in Article 8 Section [08.02](#).

- 1 17.01.6 The Classification Committees' procedures handbook is a set of procedures and practices
2 followed by the Classification and Reclassification Committees in processing requests for
3 reclassification, classification, special compensation, and pay grade. The Handbook shall
4 not contain anything subject to negotiations. The Handbook will be written and revised
5 by the committees and changes will be by mutual agreement between the District and
6 CSEA 262.
- 7 17.01.7 The committee shall maintain ongoing notifications to applicants of the progress of their

22 unit member and, upon mutual agreement, obtain the unit member's signature prior to

- 24 17.07 Classification Study Process:
- 25 17.07.1 In years ending in an odd number, the District and CSEA shall meet in September to
26 determine the classifications to be studied for that contract year. Recommendations from
27 the Reclassification Committee under [17.05.3.3](#) and individual requests for review under
28 [17.06.4](#) will be considered for review at this time. Every two years approximately one-
29 third of the classifications shall be studied. It is the intent of both parties that all
30 classifications be reviewed once every six (6) years.
- 31 17.07.2 The Committee will be composed of three (3) representatives appointed by the Vice
32 President of Human Resources and three (3) CSEA 262 members appointed by the CSEA,
33 Chapter 262 President. A Human Resources staff member will serve on the Committee
34 as a non-voting member. Two (2) of the Committee members for both the District and
35 CSEA 262 will be ongoing. The final person from each group will be drawn from the same
36 or a similar classification being reviewed. Both CSEA 262 and the District will appoint a
37 minimum of three (3) alternates to serve as needed for Representatives from each group
38 will serve terms starting in different years to produce staggered terms. Terms on the
39 Classification Committee will be three years and members may be reappointed for one
40 additional term. Each member will serve a minimum of three (3) years with staggering
41 terms. The Classification Committee will be responsible for classification studies and Pay
42 Grade.
- 43 17.07.2.1 Either the District or CSEA 262 Chapter President may remove and replace
44 any of their representative(s) at any time prior to completion of the three

- 1 (3) year term. The removal and replacement processes are outlined and
2 followed according to the Classification Committees' Procedures Handbook.
- 3 17.07.3 By mutual agreement of the committee members, a monthly meeting schedule for the
4 committee shall be established at the beginning of each academic year. In September of
5 odd numbered years, Human Resources will forward accrued requests from individual
6 unit members and managers to the Classification Study process specified in [17.07](#).
- 7 17.07.4 All committee members, including alternates, must be trained. The District and CSEA
8 262 shall mutually agree upon annual and as-needed training, the training organization,
9 and methodology. The training shall be open to any unit member, but shall not guarantee
10 appointment to a committee. The cost of training will be funded by the District.
- 11 17.07.5 All committee members must be in attendance for the committee to make a
12 recommendation. An alternate may replace a committee member to achieve equal
13 representation. A committee quorum shall consist of two members each from the District
14 and CSEA 262 for the committee to make a recommendation. An alternate may replace
15 a committee member to achieve equal representation.
- 16 17.07.6 The Classification Committee shall evaluate incumbents within each classification under
17 review prior to recommending changes/updates.
- 18 17.07.7 The Classification Committee may interview the unit member and the immediate
19 manager. The committee may request to interview subject matter experts and/or
20 appropriate manager as designated by the District prior to making a recommendation.
21 The committee may request additional supporting documentation or work products as
22 needed.
- 23 17.07.7.1 Unit members will have ten (10) working days to submit requested
24 supporting documentation to the committee for review. With written
25 request and rationale by the unit member, the ten (10) working day
26 deadline may be extended by the approval of the committee not to exceed
27 an additional ten (10) working days. If Human Resources has not received
28 the requested supporting documentation by the deadline, the request shall
29 move forward to the next step of the process with the information already
30 provided.
- 31 17.07.8 The Classification Committee shall forward its recommendation and rationale to Human
32 Resources. The Committee may recommend:
- 33 6. Existing job descriptions should be revised, or
34 7. A new job classification should be established, or
35 8. Creation of a new pay grade and placement of the unit member in the new or
36 existing pay grade, or
37 9. Denial of the request to change the existing job description, or
38 10. Denial of the request to create a new job classification, or
39 11. Referral to Reclassification Committee for review.
- 40 17.07.8.1 If the Classification Committee recommends that the existing job description
41 should be revised, they will make revisions and forward to HR, which will
42 trigger [17.07.9](#).

- 1 17.07.8.2 If the Classification Committee recommends that a new classification should
2 be established, the request shall be forwarded to Human Resources.
- 3 17.07.8.3 If the Classification Committee recommends the classification should have
4 an additional paygrade, the request shall be forwarded to Human Resources
5 to meet with CSEA 262 to add approved pay grade criteria to the job
6 description and add the Pay Grade to the salary schedule.
- 7 17.07.8.4 If the Classification Committee recommends no change to the existing job
8 description, the District shall notify the incumbent unit member(s) and copy
9 the CSEA 262 Chapter President.
- 10 17.07.8.5 The Classification Committee recommends no change to create a new job
11 classification. If the Classification Committee determines a unit member is
12 performing work outside the scope of the job classification, the committee
13 shall document its rationale and forward the request and rationale to Human
14 Resources. Within ten (10) workdays, Human Resources shall forward
15 copies of the request to the CSEA 262 Chapter President and College
16 President who may meet to seek an informal resolution or give direction to
17 their respective committee members and return the request form with his
18 or her comments to Human Resources within ten (10) working days.
- 19 17.07.8.6 Recommendations not adopted by the District shall be referred to the CSEA,
20 Chapter 262 President to negotiate impacts.
- 21 17.07.8.7 The Classification Committee may refer a unit member or classification to
22 the Reclassification Committee for review if it is determined that the work
23 being performed exists in another classification.
- 24 17.07.9 All changes made to a classification during the review process are effective upon
25 ratification through the CSEA 610 Policy and the Mt. SAC Board of Trustees. Unless
26 mutually agreed upon, all currently employed unit members in that classification will be
27 exempt from any additional requirements, including but not limited to educational
28 requirements and duties resulting from the Classification Study. If there is a change in
29 recommendation, then Article 8, Section 08.02 will apply here.
- 30 17.07.10 When there is a change in job description, the committee may perform an analysis to
31 recommend a range change. The recommended range changes will be forwarded to
32 Human Resources to be negotiated.
- 33 17.08 Reconsideration Process:
- 34 17.08.1 If the unit member disagrees with the committee's recommendation, the unit member
35 may submit a reconsideration request to Human Resources for the committee's
36 consideration. This request must be submitted within ten (10) working days of the
37 notification provided under Section 17.05.4 of this Article. Requests for reconsideration
38 must address one, or both of the following:
- 39 a. The rationale provided by the committee based on evidence submitted, or
40 b. New evidence.
- 41 17.08.2 Requests shall be submitted on a Reconsideration Request Form ([Appendix D-3](#)).

- 1 17.08.3 After submitting a request, the unit member must wait one (1) year from the date of
2 receipt by Human Resources of the Classification Request Form to submit another
3 request. The reconsideration process does not reset the date for submitting a new
4 request Classification Request Form ([Appendix D-1](#)).
- 5 17.08.4 With written request and rationale by the unit member, the ten (10) working day
6 deadline may be extended by the approval of the committee not to exceed an additional
7 ten (10) working days. If Human Resources has not received the reconsideration request
8 after the deadline, the request shall not move forward to the committee and the unit
9 member must wait one (1) year from the date of receipt by Human Resources of the
10 Classification Request Form to submit another request.
- 11 17.09 Changes in Compensation:
- 12 17.09.1 If a recommended salary increase due to reclassification, pay grade, or special
13 compensation is adopted by the District, the salary increase shall be retroactive to the
14 first day of the month of the official receipt date Human Resources received the
15 Classification Request Form or Pay Grade or Special Compensation Form ([Appendix D-
16 1/D-2](#)) if the official receipt date falls between the first and fifteenth day of the month.
17 If the official receipt date is between the sixteenth and last day of the month, the salary
18 increase will be retroactive to the first day of the month following the official receipt
19 date.
- 20 17.09.2 If the Compensation Analysis determines the salary schedule is less than a unit member's
21 current salary, the unit member shall be Y-rated and no salary increases shall be received
22 until the salary schedule "aligns" with the unit member's newly assigned salary schedule.
- 23 17.09.3 In the case of a reclassification to a higher class, if the increase in pay is five percent
24 (5%) or more, the unit member's anniversary date shall be one (1) year following the
25 month that the District approved the salary increase. If the increase is less than five
26 percent (5%), the unit member's anniversary date shall remain the same as it was before
27 the reclassification (see Article 8, Section [08.04](#)).
- 28 17.10 Process Grievable:
- 29 The process as outlined in this Article is subject to grievance (see [Article 18](#)), not the outcome.
- 30 17.11 Form Retention:
- 31 Completed forms associated with this Article shall be retained by the District in the unit member's
32 personnel file for not less than 7 years.

1 **ARTICLE 18: GRIEVANCE PROCEDURE**

2 18.01 Purpose:

3 The purpose of these procedures is to secure, at the lowest possible administrative level, equitable
4 solutions to the problems which may from time to time arise affecting the welfare or working
5 conditions of unit members.

6 18.02 Definitions:

7 18.02.1 A grievance is a claim by a grievant that there has been a violation, misinterpretation, or
8 misapplication of a provision of this agreement.

9 18.02.2 A grievant is a unit member or an authorized CSEA 262 representative.

10 18.03 General Provisions:

11 18.03.1 Actions to challenge or change the policies of the District as set forth in the Board Rules
12 and Regulations or Administrative Regulations and Procedures must be undertaken
13 under separate legal processes and not in conflict with the provisions of this Agreement.
14 Other matters for which a specific method of review is provided by law, by the Board
15 Rules and Regulations, or by the Administrative Regulations and Procedures of the
16 District are not within the scope of this procedure.

17 18.03.2 Until final disposition of the grievance, the grievant is required to conform to the direction
18 of his or her immediate manager.

19 18.03.3 Each party involved in a grievance shall act quickly so that the grievance may be resolved
20 promptly. Each party agrees to complete action within the time limits contained in the
21 grievance procedure; however, with the written consent of the parties to the grievance,
22 the time limitation for any level may be extended. Any grievance not advanced to the
23 next level within the time limits established for that level shall bar the grievant from any
24 further right to pursue that grievance and the grievance shall be deemed resolved with
25 the decision rendered at the previous level (including "Level One"). Failure on the part
26 of an administrator to answer within the time limits set forth for any level will entitle the
27 unit member to proceed to the next level (including "Level One").

28 18.03.4 Time limits provided in each level shall begin at the expiration of the previous time limit
29 or the day following receipt of written decision by the parties in interest.

30 18.03.5 Grievance meetings shall be scheduled at a time mutually acceptable to the District and
31 the grievant at times that shall not adversely affect the normal duties of any personnel
32 and services of the District, except that the grievant shall be allowed release time to
33 attend grievance procedures.

34 18.03.6 In order to encourage a professional and harmonious disposition of unit members'
35 grievances, it is agreed that from the time a grievance is filed until it is processed through
36 Level Four, or decided to the mutual satisfaction of the grievant and the District, neither
37 party shall inform the general public of either the details of the grievance or evidence
38 regarding the grievance.

39 18.03.7 All meetings and hearings under this procedure shall be closed to all persons other than
40 the parties in interest, their representatives, and witnesses as necessary.

- 1 18.03.8 All procedural documents, communications, and records dealing with the processing of
2 a grievance will be filed in a separate grievance file maintained by the District, and will
3 not be kept in the personnel file of any of the participants. The grievance file shall be
4 available for inspection only by the grievant, or with the grievant's written authorization,
5 his/her CSEA 262 representative and those management, supervisory, and confidential
6 employees directly involved in the grievance procedure.
- 7 18.03.9 The grievant shall fill out the grievance form (see [Appendix E](#)) being as specific as
8 possible. Changes made to Appendix E must be mutually agreed to by both CSEA 262
9 and the District.
- 10 18.03.10 The grievant shall have the right to union representation at all levels of the grievance
11 procedure. Nothing contained herein will be construed as limiting the right of a grievant
12 from having a grievance adjusted without intervention of CSEA 262, provided that such
13 adjustment is not inconsistent with the terms of this Agreement and that CSEA 262 has
14 been given a copy of the grievance and given an opportunity to respond prior to its
15 implementation.
- 16 18.03.11 No reprisals of any kind will be taken by the Board, the President of the College, CSEA
17 262, or by any member or representative of the Administration of the College, against
18 any aggrieved person, any member of CSEA 262, or any other participant in the
19 grievance procedure by reason of such participation.
- 20 18.03.12 The District and CSEA 262 shall pay their own expenses incurred in the grievance
21 procedure. Parties shall equally share the expenses of the committee chairperson if such
22 becomes necessary. Each party shall be responsible for compensating its own
23 representatives and witnesses. If a party desires that a record of the testimony be made
24 from the tape recording of the hearing of the Grievance Committee, it may cause such
25 a record to be made at its own expense provided, however, if the other party or parties
26 request copies of such record, the cost shall be divided equally.
- 27 18.03.13 The grievant must be present at each level of the grievance procedure. Either party may
28 be represented by a party of their choice beginning at Level One of the grievance
29 procedure.
- 30 18.03.14 If a grievance arises from action or inaction by the Board of Trustees, the aggrieved
31 person shall submit such grievance in writing directly to the President of the College, the
32 President of the Board, and may optionally notify CSEA 262. The processing of such
33 grievance shall be commenced at Level Three.
- 34 18.03.15 Adjustment of any grievance described herein shall not be inconsistent with the specific
35 provision(s) of this Agreement.
- 36 18.03.16 Nothing contained in the grievance procedure shall be construed to deny the District, the
37 Board, the President, CSEA 262, or any unit member the rights guaranteed to them
38 under state or federal law.
- 39 18.03.17 Any grievance occurring during the period between the termination date of this
40 Agreement and the effective date of a new Agreement shall not be processed. Any
41 grievance which arose prior to the effective date of this Agreement shall not be
42 processed. Notwithstanding the expiration of this Agreement, any grievance claim
43 initiated within the term of this Agreement may be processed through the grievance
44 procedure until resolution.

- 1 18.03.18 A grievance may be withdrawn by the grievant at any time and at any step of this
- 2 procedure provided, however, that same grievance shall not be filed a second time by
- 3 the same party for the same incident.

- 4 18.03.19 For the purpose of this grievance procedure, working days are defined as those days of
- 5 normal business of the District's central office.

- 6 18.03.20 In settlement of any grievance resulting in retroactive adjustment, such adjustment shall
- 7 be limited to the date of signing of this Agreement.

- 8 18.03.21 The Vice President, Human Resources, or designee shall administer the provisions of this
- 9 Article.

- 10 18.04 Procedures:

- 11 18.04.1 Level One:

- 12 18.04.1.1 The grievant must complete the grievance form and submit it to the
- 13 immediate manager. The grievance form shall include the specific provisions
- 14 of this agreement violated, the date such violations occurred, the
- 15 circumstances involved, and the specific remedy sought.

- 16 18.04.1.2 Within ten (10) work days of the receipt of the grievance form, the manager
- 17 shall meet with the grievant to resolve the matter.

- 18 18.04.1.3 Within ten (10) work days of the meeting, the immediate manager shall give
- 19 his or her written response to the grievant with a copy to Human Resources
- 20 and to CSEA 262.

- 21 18.04.1.4 Prior to implementation, CSEA 262 shall be given an opportunity to respond
- 22 within ten (10) work days of receipt.

- 23 18.04.2 Level Two:

- 24 18.04.2.1 If the grievant is not satisfied with the disposition on the grievance at Level
- 25 One, the grievant shall have ten (10) work days after receiving the written
- 26 response from Level One to submit a Level Two, written grievance to the
- 27 Office of Human Resources.

- 28 18.04.2.2 The Office of Human Resources shall promptly forward the formal grievance
- 29 to the next highest manager with authority to act and provide the name of
- 30 the same to the grievant and CSEA 262.

- 31 18.04.2.3 Within ten (10) work days after receiving the Level Two grievance, said
- 32 manager shall meet with the parties and provide a written response to the
- 33 grievant, CSEA 262, and to the appropriate Vice President.

- 34 18.04.3 Level Three:

- 35 18.04.3.1 If the grievant is not satisfied with the disposition of the grievance at Level
- 36 Two, the grievant shall have ten (10) work days after receiving the written
- 37 response from Level Two to submit the Level Three grievance to the Vice
- 38 President of the manager who presided at Level Two or their designee.

1 18.04.3.2 Allegations not presented at Level Two may not be introduced at any other
2 level, and no evidence or testimony given shall be the cause for initiating
3 further grievance.

4 18.04.3.3 Within ten (10) work days after receiving the formal grievance at this level,
5 said Vice President or their designee shall meet with all parties and provide
6 a written response to the grievant and CSEA 262.

7 18.05 Arbitration:

8 18.05.1 If the grievant is not satisfied with the results of Level Three, the grievant shall, within
9 ten (10) work days after the written response received in Level Three, file a written
10 request to the Vice President of Human Resources to proceed to arbitration.

11 18.05.2 Selection of an Arbitrator – As soon as possible and in any event not later than ten (10)
12 working days after the District received the written notice of the grievant's desire to
13 arbitrate, the District and CSEA shall attempt to agree upon an arbitrator. An arbitrator
14 shall be selected from a list furnished by the California State Mediation and Conciliation
15 Services by alternate striking of names until one name remains. The party who strikes
16 the first name shall be determined by lot and the names shall be ranked in order of
17 preference. If the arbitrator selected is unavailable for hearing within sixty (60) calendar
18 days, the District and CSEA shall select an arbitrator next in order from the preference
19 list. The arbitrator shall cause the hearing to be recorded.

20 18.05.3 The arbitrator shall have no power to alter, amend, change, add to, or subtract from any
21 of the terms of this Agreement, but shall determine only whether or not there has been
22 a violation, misinterpretation or misapplication of the provisions of this Agreement in the
23 respect alleged in the grievance. The decision of the arbitrator shall be based solely upon
24 the evidence and arguments presented by the respective parties in the presence of each
25 other, and upon arguments presented in briefs.

26 18.05.4 The function and purpose of the arbitrator is to determine disputed interpretation of the
27 terms of the Agreement, or to determine disputed facts upon which the application of
28 the Agreement depends. Past practice of the parties in interpreting or applying terms of
29 this Agreement may be relevant evidence, but shall not be used to effect a modification
30 of the written terms or the Agreement.

31 18.05.5 The arbitrator's decision shall, unless extended by mutual written agreement of the
32 parties, be rendered within forty-five (45) calendar days after the date of final
33 submission. All fees and expenses of the arbitrator shall be shared equally by the parties.
34 Each party shall bear the expenses of the presentation of its own case.

35 18.06 Arbitrator's Decision, Board Review:

36 18.06.1 The decision of the arbitrator within the limits herein prescribed shall be in the form of
37 a recommendation to the Board of Trustees.

38 18.06.2 If grievant files a request to the Board to undertake review of the arbitrator's decision
39 within ten (10) working days of its issuance, the Board shall then undertake review of
40 the entire hearings record and briefs. The Board may also, if deems it appropriate, permit
41 oral arguments by representatives of the parties, but only in the presence of one another.
42 In such case, the Board shall render a decision on the matter within forty-five (45)
43 calendar days after receiving the arbitrator's decision. If the Board does not render a

1
2

decision within the time specified, it shall be deemed to have adopted the decision reached through arbitration.

1 **ARTICLE 19: LAYOFF**

2 19.01 Layoff:

3 CSEA 262 and the District agree to meet and negotiate the impacts and effects of proposed layoffs
4 upon the classified unit members.

5 No probationary or permanent classified unit member shall be considered for layoff until all non-
6 permanent, non-academic employees have been terminated except for those short-term employees
7 who are performing a service that shall not exceed sixty (60) working days and that shall not be
8 continued at the end of such service.

9 General Provisions:

10 Classified unit members shall be subject to layoff for lack of work and/or lack of funds. Whenever
11 a classified unit member is laid off, the order of layoff within the class shall be determined by length
12 of service. Unit members who have been employed the shortest time in the class, plus higher
13 classes, shall be laid off first. Reemployment shall be in the reverse order of layoff.

14 CSEA Chapter 262 and the District agree to meet and negotiate the impacts and effects of layoffs
15 on a case by case basis. Subsequent to Board action to eliminate a position that would potentially
16 trigger a layoff, within one week of receipt of notification, the District and CSEA 262 shall
17 immediately enter into negotiations. If after thirty (30) days of receipt of notification no agreement
18 is reached, sixty (60) day notice shall be issued and negotiations shall continue regarding impacts
19 and effects of the layoff. Standards for such layoffs will follow [19.02.4](#), unless modified by mutual
20 agreement, during the negotiation period. Subsequent to the conclusion of these negotiations, the
21 District will notify those affected of their layoff as specified in [19.02.1](#).

22 It is the intent of the District and CSEA 262 in implementing this Article to meet the operational
23 needs of the District related to lack of work and/or lack of funds and to meet the needs of the unit
24 members potentially subject to layoff. Further it is the intent of the District and CSEA 262 during
25 negotiations of the impacts and effects of layoff to explore all options to meet both of these needs.

26 19.02 Notification of Layoff:

27 19.02.1 If unit members hired under specially funded programs are to be laid off at the end of
28 the school year, such unit members shall be given written notice of dates of layoff,
29 informed of displacement rights, if any, and re-employment rights. A layoff notice shall
30 be given not less than sixty (60) days prior to the effective date.

31 19.02.2 When as a result of elimination, service being performed by any department, classified
32 unit members who shall be subject to layoff shall be given written notice of layoff not
33 less than sixty (60) days prior, before the effective date of their layoff.

34 19.02.3 Nothing in these rules shall preclude a layoff for lack of funds or lack of work in the event
35 that the Board of Trustees determines that layoff is necessary.

36 19.02.4 Written notice of layoff shall be sent by certified mail or delivered in person to the
37 affected unit members. A copy of the notice and seniority list shall be provided to the
38 CSEA, Chapter 262 President no less than thirty (30) days prior to publishing of the board
39 agenda.

40 19.02.5 A classified unit member may not be laid off if a short-term employee is retained to
41 render a service that the classified unit member is qualified to render. No permanent or
42 probationary unit member shall be laid off from any position while student workers,

- 1 provisional, hourly or limited term employees are retained that supplants a unit member's
2 work.
- 3 19.02.6 Notice of Layoff shall include the following:
- 4 An up to date list of all classifications in which the unit member has seniority;
5 Effective date of the layoff;
6 Unit member's bumping and reemployment rights;
7 Name and classification of the unit member designated for layoff with a reference to
8 unemployment benefits; and
9 The unit member's fringe benefits rights, as referenced in Article 8, and other legal
10 benefits specified by law, such as COBRA;
11 Any other terms and conditions negotiated under 19.02.
- 12 19.02.7 Failure to serve proper notice shall require the issuance of a new sixty (60) day notice.
- 13 19.02.8 Unit members who have bumping rights must provide written notification of their
14 intention to exercise their rights to the District within ten (10) days after notification of
15 their options or they will forfeit their bumping rights and be placed on the preferential
16 reemployment list.
- 17 19.02.9 Notification of Reemployment – Any unit member who is laid off or retired in lieu of
18 layoff, and is subsequently eligible for re-employment, shall be notified through certified
19 mail, by the District, as to the date of the opening at their last known address to the
20 District. The unit member must respond in writing within ten (10) working days of
21 issuance of the letter to be deemed to have declined the offer.
- 22 19.03 Computation of Seniority:
- 23 19.03.1 Seniority is determined by hire date into a regular classified position. No seniority shall
24 be earned during periods of separation from the service of the District except during
25 Military Leave, and unpaid industrial injury/illness leave.
- 26 19.03.2 Paid service performed prior to entering into a probationary status in the classified
27 service shall not be credited toward seniority.
- 28 19.03.3 All service in the classification, plus higher classifications, shall count toward seniority in
29 the previous classification. Seniority in the higher classification shall begin on the start
30 date of the higher classification.
- 31 19.03.4 A permanent unit member laid off and subsequently reinstated within thirty-nine (39)
32 months shall retain the seniority earned prior to the layoff.
- 33 19.03.5 In the event two (2) or more unit members in the same classification have the same hire
34 date, seniority shall be determined by a drawing of numbers conducted by the Vice
35 President of Human Resources and CSEA 262 Chapter President.
- 36 19.04 Bumping Rights and Procedures:
- 37 The term "bumping" as used in this section is used to describe when one unit member displaces
38 another unit member from a position based upon seniority.
- 39 Unit members notified of layoff from their present position may bump into the same or previously
40 held classification in which they hold seniority greater than an incumbent. Unit members subject
41 to layoff may bump into a position with a higher classification only if they have established

1 permanency in that position and have greater seniority than the person being bumped. The right
2 to bump must be exercised within ten (10) days of notice of layoff.

3 Unless otherwise negotiated by the District and CSEA 262, the following shall apply:

4 19.04.1 The right to bump any incumbent in the same class shall not be allowed if there is a
5 vacant position in the unit member's current class to which they shall be assigned.

6 19.04.2 If no vacancy exists in the same class, then the affected unit member will be offered the
7 least senior occupied position in the same class by seniority, regardless of the number
8 of work days or months per year of either position. Unit members displaced because of
9 bumping process shall, in succession, be granted, by seniority the same bumping rights.

10 19.04.3 Bumping into a lower class shall be considered a voluntary demotion and salary
11 placement shall be at the step which most nearly corresponds to, but does not exceed,
12 the unit member's current salary placement.

13 19.04.4 In all cases, unit members exercising their bumping rights must possess the skills and
14 be able to perform the duties required of the class into which they bump. Unit members
15 who do not meet the qualifications for the classification may bump into a classification
16 in which they have previously served and has sufficient seniority to bump, or the unit
17 member may apply for vacant positions.

18 19.05 Retirement in Lieu of Layoff:

19 Any unit member subject to layoff and who elected service retirement from the California Public
20 Employees' Retirement System (CalPERS) be placed on the thirty-nine (39) month reemployment
21 list. The District shall notify the CalPERS Board of Administration of the fact that retirement was
22 due to layoff for lack of work or of funds. If the unit member is subsequently subject to
23 reemployment and accepts, in writing, the appropriate vacant position, the District shall maintain
24 the vacancy until the CalPERS Board of Administration has properly processed their request for
25 reinstatement from retirement.

26 19.06 Reemployment Procedures:

27 Any regular unit member who must be laid off after exercising all rights guaranteed under this
28 article shall have their name placed on a preferential reemployment list by class and in order of
29 seniority. Such unit member shall be reemployed in preference to new applicants for positions in
30 which they meet minimum qualifications for a period of thirty-nine (39) months from their layoff
31 date. As vacancies occur, reemployment shall be offered to the unit member with the greatest
32 seniority.

33 19.06.1 If a unit member is laid off and reemployed within thirty-nine (39) months of the layoff,
34 then all unused sick leave accumulated prior to the effective date of the layoff shall be
35 credited back to the unit member's records.

36 19.06.2 If the unit member is reemployed within thirty-nine (39) months of the date of the layoff,
37 the unit member shall retain vacation longevity that they held prior to the layoff.

38 19.06.3 If the unit member is laid off and is subsequently employed in an equal or lower
39 classification within thirty-nine (39) months of the date of layoff, the unit member will
40 be placed on the step from which they left and shall not serve an additional probationary
41 period.

1 19.06.4 When a vacancy occurs in a class for which a reemployment list has been established,
2 the most senior unit member in the classification on the reemployment list shall be
3 notified by certified mail of the vacancy. An attempt shall be made prior to sending the
4 mail notice to contact the unit member by telephone.

5 A unit member on the reemployment list shall have five (5) calendar days following
6 service of the certified notice of reemployment to either accept or reject the offer. If the
7 unit member rejects the offer or fails to respond, the unit member shall remain on the
8 list, and thereby be entitled to two (2) additional offers of reemployment. If the unit
9 member accepts the initial offer, they are to report to work within five (5) calendar days
10 of service of the notice. If the unit member fails to comply with these prescribed limits,
11 such failure shall constitute rejection of the District's offer.

12 A unit member may decline three (3) offers of reemployment in their former class. After
13 the third refusal, no additional offers need be made and the unit member shall be
14 considered unavailable for the duration of the preferential reemployment list.

15 19.06.5 Unit members are responsible for immediately notifying the District, in writing, of any
16 change of official mailing address. Any failure to do so which, in turn, causes a failure of
17 notice to the unit member shall be the responsibility of the unit member, and shall not
18 entitle the unit member to additional consideration.

1 **ARTICLE 20: PERSONAL/PROFESSIONAL GROWTH**

2 20.01 Higher Education Benefits:

3 A unit member may earn each of the following benefits once each contract year:

4 20.01.1 \$300 for completing three (3) semester, or four (4) quarter units and \$50 for each
5 additional unit of lower division credit at any school accredited by one of the six regional
6 accrediting associations of schools and colleges; or

7 20.01.2 \$500 for obtaining any job-related licenses and/or certificates at any school accredited
8 by one of the six regional accrediting associations of schools and colleges or an industry-
9 recognized credential; or

10 20.01.3 \$750 for completing three (3) semester, or four (4) quarter units and \$100 for each
11 additional unit of upper division or graduate units at any school accredited by the six
12 regional accrediting associations of schools and colleges.

13 20.01.4 Degrees Earned or Conferred – An additional one-time benefit will be granted for degrees
14 earned or conferred. The one-time benefit will be \$1,000 for an Associate Degree; \$1,500
15 for a Bachelor’s Degree and \$2,000 for a Master’s Degree or higher.

16 20.01.5 Higher Education Benefits Guideline – The unit member must complete the units during
17 the fiscal year in which the benefit will be earned and submit a transcript or grade report
18 as proof of satisfactory completion. The District may require an official transcript, if it
19 deems necessary. The units must be earned on the member’s own time, and related
20 costs, i.e., books, registration, assorted fees, will not be paid by the District. Applicable
21 units must earn a grade of “C” or better. See [Appendix F](#): Application for
22 Personal/Professional Growth Benefit form.

23 20.02 Professional Growth Benefit:

24 Professional growth activities, such as formal workshops, seminars, or other training directly related
25 to the unit member’s job, may be counted toward earning the lower division benefit referenced in
26 [20.01.1](#). These activities must be attended during the unit member’s non-working time, except
27 while utilizing authorized paid leave time as provided for in [Section 20.03](#). Sixteen (16) hours of
28 documented staff development will equate to one lower division semester unit. Activity hours may
29 be combined with college units to earn the benefit, but are not required to be earned within the
30 twelve (12) month period as mentioned in [20.01](#). See [Appendix G](#), Application for Release Time
31 During Work Hours to Attend Professional Growth Activity form.

32 20.02.1 The Classified Professional Development Committee (CPDC) will be responsible for
33 certifying appropriately job-related ongoing on-campus professional development
34 activities and hours that equate to the lower division semester units mentioned in [20.01](#).
35 Such certification will establish these appropriate activities as generally job-related for
36 all unit members and thus eligible for the Professional Growth Benefit.

37 20.02.2 Unit members who are granted flexible scheduling time as outlined in [20.03](#) to attend
38 training that is on campus and job-related are eligible to earn the Professional Growth
39 Benefit.

40 20.02.3 Unit members who have a manager-approved Performance Improvement Plan are
41 eligible to earn the Professional Growth Benefit while receiving training prescribed under
42 the Plan.

- 1 20.03 Professional Growth Leave:
- 2 20.03.1 The District may grant, with management approval, release time or a flexible schedule,
3 as referenced in Article [10.01.4.3](#), to unit members who request to attend:
- 4 20.03.1.1 Classes or training related to the unit member's current job classification.
- 5 Unit members are required to obtain approval from their immediate manager by
6 submitting an Application for Release Time During Work Hours to Attend Professional
7 Growth Activity form ([Appendix G](#)) to their manager a minimum of fourteen (14) days
8 prior to the start of the workshop.
- 9 The immediate manager shall reply to this request in a timely manner sufficient to allow
10 the member to attend the workshop.
- 11 If the request is denied, the immediate manager shall provide a written reason on the
12 Professional Growth Workshop Form. Such reasons must be related to the operation of
13 the unit in which the unit member serves or is not related to the unit member's job
14 classification.
- 15 20.03.1.2 Workshop(s) that relate to a unit member's job classification.
- 16 20.03.1.3 Activities sponsored by Professional and Organizational Development that
17 enhance skills and abilities of unit members.
- 18 20.03.2 The District may require professional development or training in the following areas for
19 which release time will be made available. It is the District's responsibility to schedule
20 such activities.
- 21 20.03.2.1 Professional development, training, and/or certification that directly pertains
22 to a unit member's responsibility as a disaster service worker.
- 23 20.03.2.2 Professional development, training, and/or certification that is mandated by
24 an agency for a specific Mt. SAC job classification. For example, teachers in
25 the Child Development Center are required to hold valid permits issued by
26 the Commission on Teacher Credentialing. Specifics for Public Safety unit
27 members can be found in [Article 25](#).
- 28 20.03.2.3 Professional development or training to meet the requirements of the
29 District's Equal Employment Opportunity Program and Title 5 regulations,
30 and to carry out the duties that are required of the EEO Representative
31 during the hiring process.
- 32 20.04 New Classified Professional Orientation and Seminars:
- 33 20.04.1 A focused orientation for new employees will be provided by Human Resources
34 developed in collaboration with CSEA 262 and other relevant departments within the first
35 thirty (30) days of employment.
- 36 20.04.2 New Classified Professional Seminars will be developed and presented by Professional
37 and Organizational Development in collaboration with CSEA 262, and employees shall be
38 provided a copy of the District's Classified Professional Guide.

11 No unit member shall be in any way discriminated against as a result of reporting any condition
12 believed to be a violation of Section 21.01.

13 21.05 Rest Facilities:

14 The District shall make available adequate lunchroom, restroom, and lavatory facilities for unit
15 member use.

16 21.06 Safety Equipment:

19 agrees to furnish such equipment or gear.

20 21.07 Reporting Responsibility:

21 In the course of performing their normally assigned work, unit members will be alert to observe
22 unsafe practices, equipment and conditions in their immediate area which represent health hazards
23 and will report such conditions to their immediate manager.

25 submitted on forms provided by the District. All injuries should be reported immediately. In cases
26 of injuries requiring medical attention, report forms provided by the District shall be submitted

32 local or state emergency has been declared may be asked to perform jobs other than
33 their usual duties for periods of time exceeding their normal working hours.

1 **ARTICLE 22: SAVINGS PROVISIONS**

2 22.01 Statutory Compliance

3 If, during the life of this Agreement, there exists any applicable law or any applicable rule,
4 regulation, or order issued by governmental authority other than the District which shall render
5 invalid or restrain compliance with or enforcement of any section, subsection, sentence, clause, or
6 phrase of this Agreement, such section, subsection, sentence, clause, or phrase shall be
7 immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or
8 order shall remain in effect. Such invalidation of a part or portion of this Agreement shall not
9 invalidate any remaining portions which shall continue in full force and effect.

10 22.02 Right to Renegotiate

11 In the event of suspension or invalidation of any section, subsection, sentence, clause, or phrase
12 of this Agreement, the parties shall, upon request of either party, meet and negotiate within
13 twenty-two (22) working days after such determination for the purpose of arriving at a mutually
14 satisfactory replacement.

15 22.03 Regulatory Compliance

16 If any provision of this Agreement is in conflict with [Federal Executive Orders 11246](#) and [11375](#),
17 as amended, [Title VII of the Civil Rights Act of 1964](#), [Title IX of the 1972 Higher Education](#)
18 [Amendments](#), and federal regulations pertaining thereto, or any state programs, the provisions of
19 such orders, laws, federal regulations, and rules shall prevail. All other provisions or applications
20 of this Agreement shall remain in full force and effect.

1 **ARTICLE 23: EFFECT OF AGREEMENT**

2 23.01 No Other Agreement

3 The Agreement expressed herein, in writing, constitutes the entire Agreement between the parties
4 and no oral statement shall add to or supersede any of its provisions.

5 23.02 Initial Proposals

6 The parties acknowledge that during the bargaining which preceded this Agreement, each had the
7 right and opportunity to make demands and proposals with respect to any subject or matter not
8 removed by law from the area of bargaining and that the understanding and agreements arrived
9 at by the parties, after the exercise of that right, and opportunity, are set forth in this Agreement.
10 Therefore, the District and CSEA 262, for the life of this Agreement, each voluntarily and
11 unqualifiedly waive the right, and each agrees that the other shall not be obligated to bargain with
12 respect to any subject or matter referred to, or covered in this Agreement, or with respect to any
13 subject or matter not specifically referred to, or not settled, during bargaining even though such
14 subject or matter may not have been within the knowledge or contemplation of either or both of
15 the parties at the time they negotiated or signed this Agreement. Such matters shall not be subject
16 to the grievance procedure.

17 23.03 Unassigned Rights

18 All terms and conditions of employment not covered by this Agreement shall continue to be subject
19 to the District's direction and control. There are no provisions in this Agreement that shall be
20 deemed to limit or curtail the District in any way in the exercise of its rights, powers, and authority
21 which the District had prior to the date this Agreement was entered into unless and only to the
22 extent that the provisions of this Agreement specifically curtail or limit such rights, powers, and
23 authority.

1 **ARTICLE 24: DISCIPLINE**

2 24.01 Discipline Task Force

3 The District and CSEA Chapter 262 hereby create a task force to establish a Guide to Good Practices
4 in Pre-Disciplinary and Disciplinary Processes in accordance with the principles of progressive
5 discipline and the application of this Agreement, Board Policies, Administrative Procedures,
6 Education Code, Government Code, other applicable statutes, and case law. The Guide will

3 The College will provide uniforms and equipment, and maintenance of those items, for all unit
4 members required to wear them in the manner, quantity, and frequency as determined by the
5 Chief of Police. The purchase of shoes and/or boots will be the responsibility of the employee.

6 The style and color of uniforms for the respective job classifications will be determined by the Chief
7 of Police or designee. Specifications on uniform appearance and authorized equipment can be
8 found in the Department policy manual.

9 Authorized unit members shall only use firearms that are issued or approved by the Department
10 and have been thoroughly inspected. Except in an emergency or as directed by Board Policy and a
11 supervisor, no firearm shall be carried by a unit member who has not qualified with that firearm at
12 an authorized department range.

13 Unless authorized by Board Policy and the written authorization of the Chief or Deputy Chief of
14 Police, all other weapons not provided by the Department are prohibited for use by unit members
15 in the performance of their official duties.

Section 1: Instructions to Evaluators

Purpose

Timely and effective performance evaluations acknowledge employee's value to the College and provide a framework for positive discussion with employees regarding their contributions to the College, professional development, and recognition of specific contributions to accomplishing the College's mission and goals. Timely and effective performance evaluations ensure that employees and managers engage in regular conversations regarding the job performance and provide opportunities for encouraging improvement. Regular performance evaluation of all staff provides the institution with the opportunity to ensure the effectiveness of its human resources in alignment with accreditation standards. Successful performance management is ongoing and continuous process involving interactive and open communication between the evaluator and the staff member whose performance is being evaluated. The performance management process continues throughout the year with regular communication and feedback between the evaluator and staff member. Doing so encourages a higher level of performance and ensures compliance with collective bargaining agreement requirements, accreditation standards, and campus practices concerning preparation and delivery of written performance evaluations at regular intervals.

Completing the Form

This evaluation form is only for use with employees who occupy classified positions only. The evaluation must be conducted in accordance with the applicable Collective Bargaining Agreement (CBA). Please review the applicable CBA prior to completing the form and consult with Human Resources regarding any questions prior to completing the form. **The performance evaluations reflect the evaluator's assessment of the employee's performance of duties and responsibilities with the accomplishment of goals that are consistent with the scope of work described within the employee's assigned job classification description.** Completed and signed evaluations are to be routed to Human Resources for placement in the personnel file. The evaluation must be developed by the employee's immediate manager (a non-bargaining unit employee) and must be reviewed and signed by the employee's next level manager (if applicable) before it is shared with the employee.

Annual evaluations are conducted for **permanent employees**. The evaluation period for non-probationary employees is the preceding one-year period, beginning at the time of appointment. The employee's first year evaluation will cover the first six months of the probationary period as well as the six-month period following the end of the probationary period. **Probationary evaluations** are conducted and issued immediately after the completion of the **second month** and the **fifth month** of the six-month probationary period. The fifth month evaluation may reference any improvement or other issues identified in the prior probationary evaluation. The objective of the fifth month evaluation is to provide an opportunity for assessment before the probationary period ends. Please contact Human Resources immediately if there are any concerns regarding the performance of a probationary employee.

Assigning Ratings for Performance Elements

The evaluation ratings for the individual Performance Elements and for the Summary Rating are based upon the evaluator's observation and assessment of the employee's performance of work described within the assigned job description. Ratings fall within the following descriptions: **Meets Expectations (ME)** is commendable standard and represents that employee consistently meets all or most of the evaluator's expectations in the rating element; the **Partially Meets Expectations (PE)** rating is for those aspects of performance which require some additional training and development or for performance in certain areas that is not consistent; the **Exceeds Expectations (XE)** rating reflects work that is regularly beyond expectations; and the **Needs Improvement (NI)** rating should be assigned when performance continually does not meet performance expectations.

Not all of the Performance Elements will apply to every job and some may be left blank with a notation of "N/A," or applicable. **Lead work and coordination** rating elements are applicable only to those employees who fall into classifications having these responsibilities.

Providing Comments for Performance Elements and the Summary Rating

Ratings in individual performance elements that are other than ME should be justified with supporting comments in each area. Comments for improvement and development may also be applicable when an individual or a summary rating in ME or higher. Comments provided under the Summary Rating section may refer to other areas of the evaluation. It is not necessary to duplicate comments already provided on the evaluation in this section. Appendix D Unit Member Work Outside of Classification Job Description

This Appendix is intended as a review of California Education Code related to Classified Staff performing tasks that are outside of their Board-approved job description. Each section describes the relevant code which is cited verbatim in footnotes. The specific effective practices used by the College are described as they apply to each situation. The relevant sections of this Agreement should be consulted for direction on unit member rights.

Each Classification in the Unit Has a Board-approved Job Description which contains a section entitled, "EXAMPLES OF ESSENTIAL FUNCTIONS (Illustrative Only)." It is the mutual understanding of CSEA Chapter 262 and the Mt. San Antonio Community College District that this section encompasses the typical scope of duties performed by unit members in each Classification. Typically, the last statement in this section is, "Performs other related duties as assigned." It is the mutual understanding of CSEA 262 and the District that this phrase should be interpreted within the context described in the DEFINITION and CLASS CHARACTERISTICS sections of the Job Description.

Performance of duties substantially outside of the ESSENTIAL FUNCTIONS for the Job Classification of a unit member are subject to statutory limitations as described below. CSEA 262 and the District recognize that the terms "related duties" and "substantially outside" are subjective and situational. For situations that may be unclear to either party, both CSEA 262 and the District agree to meet and confer to reach mutual agreement for any specific situation. Unit members performing work outside of their job classification may be an indication that a change in the classification should be considered. Article 17: Classification Procedures gives direction on how to proceed with such a process.

Out-of-Class Assignments: Education Code §88002 describes legal requirements of Mt. SAC's Out-of-Class Assignment process. Such assignments are initiated by a District offer to a specific unit member or members and acceptance is voluntary. Out-of-Class Assignments must be approved by the Board of Trustees but may be ratified by the Board subsequent to the start of the assignment. Classified employees are paid on a pro rata basis for the additional assignment. The District reserves the right to terminate the Out-of-Class Assignment at its discretion. The unit member retains the right to return to the original Job Classification in the previously assigned Administrative Unit. Out-of-Class service time does not disrupt the continuing accrual of seniority in the permanent Job Classification. See Section 14.05 of this Agreement for the Out-of-Class Assignment procedure.

Out-of-Class Assignments as a Substitute: In circumstances for which the District is permitted by Ed Code §88003 to employ a substitute, a Unit Member may fill that role as an Out of Class Assignment by written mutual agreement between CSEA 262 and the District. See Section 14.05 of this Agreement for the Out-of-Class Assignment procedure.

Duties Not Reasonably Related to those in the Job Description - 5 Day Limitation: Ed Code §88010 places restrictions on the District requiring work of a Unit Member outside of those reasonably related to those in the Job Description. Such a requirement may not exceed five days within any fifteen-day period without providing compensation that reasonably reflects the additional duties. Such compensation is understood to be that of an existing Job Classification that reasonably relates to the additional required duties. Note that this limitation is specific to work required by the District. Consequently, both unit members and supervising managers should require specific written direction if work outside the Job Description is to be authorized. Further, unit members are cautioned not to perform duties outside their Job Description without such written authorization from their supervising manager.

Appendix D-1
Classification Request Form

Reclassification: For purposes of this agreement, "reclassification" shall mean the upgrading of a position to a higher existing classification as a result of the gradual increase of the duties being performed by the incumbent in that position. [Ed. Code Section 88001\(f\)](#). As used in Section 17.02 of this Article, the reclassification procedure results in the movement of one or more member(s) from their current classification to a higher existing classification.

Classification Study: As used in the Article, a Classification Study is used to revise job descriptions and range placements of an entire job classification or to establish a new job classification following the process as described in Article Section 8.02 and Section 17.06.

Employee Work Schedule Designation/Change Form Instructions

Human Resources:

This form is used to designate the work schedule for newly hired unit members. Include this form with the Acceptance of Employment form. Complete all known information on the form prior to releasing it to the unit member or manager.

For schedule changes, confirm that the unit member's new schedule is consistent with their required hours per week. Also determine if the new schedule is eligible for a shift differential premium and, if so, the percentage. **Ensure that any schedules changes do not result in the loss of a unit member's current shift differential premium. All changes (addition or removal) to a unit member's shift differential premium must be reported using the Employee Change of Status process.**

Provide one (1) copy of this form to the Payroll Department. If the form identifies a manager requested permanent schedule change, provide one (1) copy to the CSEA 262 Chapter President.

Managers:

For a newly hired unit member, confirm all of the information on the form is correct. Ensure that the hours per week, months per year, effective date (start date) and work schedule are correct.

Also, use this form to report any changes to a unit member's work schedule. Note: District-wide schedule changes (i.e. Summer Schedule) need not be reported to Human Resources. For manager requested permanent changes to a unit member's work schedule, thirty (30) days written notice is required. Provide the unit member with the completed form at least thirty (30) days prior to the effective date of the permanent schedule change. For manager requested temporary changes to a unit member's work schedule, seven (7) days written notice is required. Note: The seven (7) days notice may be waived by mutual consent. Provide the unit member with the completed form at least seven (7) days prior to the effective date of the temporary schedule change.

Review the information on the form with the unit member. Both the unit member and the manager shall sign the form. The manager will then make one (1) copy for the unit member and one (1) copy for their own records. The manager will then forward the original signed form to Human Resources.

The following articles from the CSEA 262 Collective Bargaining Agreement address changes to unit members' work schedules, when overtime is due, and when a unit member is entitled to a shift differential premium.

10.01.4.1 **Permanent Changes:** Work schedules for unit members will be assigned as required to meet the operational needs of the District in accordance with Government Code Section [3543.2](#). The District will consult with the unit member in advance of any permanent change in the unit member's schedule. The District shall provide the unit member and CSEA with a thirty (30) day written notice of changes in the unit member's schedule. Work schedules will not be changed for circumventing overtime rights or shift differentials as defined in this agreement.

Unit members may request a permanent change to their work schedules, subject to approval by the immediate manager.

10.01.4.2 **Temporary Changes:** Temporary changes to work schedules for unit members may be made to accommodate extenuating circumstances or emergent operational needs of the District. The District will consult with the unit member in advance of any temporary change in the unit member's schedule. The District shall provide the unit member with a seven (7) day written notice of changes in the unit member's schedule. The seven (7) day notice may be waived upon mutual agreement of the manager and the unit member.

Unit members may request a temporary change to their work schedules, subject to the approval by the immediate manager.

- 10.05.3 **Overtime:** Except as otherwise provided herein, all overtime hours as defined in this section shall be compensated at a rate of pay equal to time and one and one-half (1 1/2) the regular rate of pay of the unit members for all work approved. Overtime is defined to include any time worked in excess of forty (40) hours in any calendar week, or in excess of eight (8) hours in any one (1) day or on any one (1) shift. Full-time employees working on an alternative work schedule will be paid overtime for all hours worked in excess of the required workday or workweek of forty (40) hours.
- 10.06 **Split Shift Differential:** Unit members whose assigned shift contains one (1) or more periods of unpaid time whose total exceed two (2) hours shall be paid a shift differential premium of five percent (5%) above the regular rate of pay for all hours worked.
- 10.07.1 Unit members assigned to a five (5) day workweek, other than Monday through Friday, shall receive an additional three percent (3%) of their base salary, including longevity pay. Unit members regularly assigned to a night work schedule where one-half (1/2) or more of their weekly hours are assigned from 11:00 p.m. to 7:00 a.m. shall receive an additional five percent (5%) of their base salary, including longevity pay. Those employees regularly assigned to a night work schedule where one-half (1/2) or more of their total weekly hours are assigned after 4:00 p.m. shall receive an additional three percent (3%) of their base salary, including longevity pay.
- 10.07.2 Unit members who receive a shift differential premium on the basis of their shift shall suffer no reduction in pay, including differential, when assigned temporarily to a day shift.
