With instructor's recommendation and a grade of 80% (B) or better in all semesters of the secondary courses, students may request articulation credit. The preferred articulation exam will be the FAA Private Pilot Knowledge Exam. A challenge exam prepared by Mt. SAC can be used if students are not able to take the FAA Private Pilot Knowledge Exam. Students must pass the FAA exam, or the college exam with a minimum score of 70% to earn college credit. If the college challenge exam is accessed, the exam may be administered either at the college or via Canvas.
