Data Coaching at Mt. SAC

What is a Data Coach?

Data Coaching is a campus initiative aimed at creating a culture of inquiry at Mt. SAC. Data coaches will be part of a cohort of faculty members who will provide direct support to their peers

Faculty Data Coaches 2020-2022

Coordinator: Dr. Tiffany Kuo
([./profiles/tkuo14.html](http://profiles/tkuo14.html))

Listen to the "Creating a Culture of Inquiry Podcast"

whereby educators work together to analyze student data, identify equity gaps, pilot new instructional strategies, and measure the impact of these new pedagogies on student outcomes. Imparting this information on a cross-section of the faculty will lead to greater instances of collaborative inquiry at Mt. SAC.

If you are interested in learning more about Data Coaching in general, this open resource *Data Coach Training for Higher Education Professionals*. Log into Canvas, on the left menu, click on "C" for Commons, search the name of the this course.
