

Side Letter of Agreement

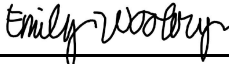

Commencement 2021

May 6, 2021

This SIDE LETTER is entered into by and between the Mt. San Antonio Community College District (District) and the Faculty Association. This SIDE LETTER shall not be deemed precedent setting and shall not be construed as an admission of any wrong-doing or liability by either party to this SIDE LETTER.

Due to the COVID-19 pandemic, the college must follow strict public health orders while holding the Commencement 2021 celebration at Hilmer Lodge Stadium. The District and the Faculty Association have agreed that attendance at this event will be voluntary for faculty. Attendance limits will be set to accommodate six feet of distance between participants. Participants will wear masks at all times while on campus, and participants shall follow Mt. SAC's Return to Work Guide (See Employee Procedures Before Coming to Campus - <https://www.mtsac.edu/health/safety.html>). The District and the Faculty Association will encourage faculty to attend as this event means a great deal to students and sharing the experience with their professors is meaningful to them.
