CRITICAL UPDATES

ANNUAL RECOGNITION

We are excited to announce that we are piloting **Annual Recognition!** This means an RSCO can activate in Fall 2022 and remain active through June 30, 2023*.

The deadline to complete the annual recognition activation is:

Friday, September 23, 2022, at 4 pm.

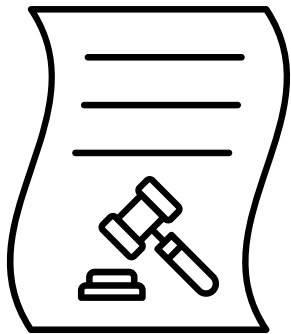

In the first week of Spring 2023, the ICC Advisor will conduct an RSCO Officers' eligibility check. If an officer is no longer eligible, the Primary Advisor will be notified to submit replacement officers into the online system by the designated Spring activation date.

RSCOs who miss the fall activation deadline will have an opportunity to obtain spring activation by completing the activation process by **Friday, March 24, 2023, at 4 pm.**

** RSCOs can only host planning meetings during the winter and summer terms (events and travel will not be approved during those terms).*

ICC CONSTITUTION AMENDMENTS

The ICC Constitution was amended and voted in favor by the ICC Representatives in Spring 2022. If you and your RSCO have not had the opportunity to review the changes, please note three major changes:

- ** Article VI: Officer Eligibility & Term Limits - Section 2
 - Changes the unit requirement and cumulative GPA requirement*
- *Article VIII: Meetings and Quorum - Section 3
 - ICC Meeting attendance defined*
- *Article XVI: RSCO of the Year
 - Please review the point system, there are more opportunities for RSCO's to earn points for RSCO of the Year.*

** Although the RSCO Officer Eligibility section was approved in May 2022, the A.S. Constitution has a section with the former RSCO Officer Eligibility requirements which supersedes the ICC Constitution. Next steps... A.S. will vote on changing the Constitution to revise the RSCO Officer requirements. If approved, changes will require a vote from the general student body to take effect.*
