

**Mt. San Antonio College**  
**Alcohol and Other Drug Prevention Program**  
**Biennial Review**  
**June 2020**

An ad hoc committee of the Health and Safety Committee, comprised of representation from Risk Management, Public Safety, Human Resources, Student Life and Health Services, conducted a review of the Alcohol and Other Drug Prevention Program.

**Program Requirements:**

1. All employees and students shall receive annual notification of standards of conduct; a description of sanctions for violating federal, state and local law and campus policy; a description of health risks associated with alcohol and drug use; and a description of treatment options.
2. Biennial review of the effectiveness of the drug prevention program, consistent enforcement and application of sanctions, and implementation of necessary changes.

**Findings:**

1. All required information is found in the following publications:
  - a. College Website, which is the primary vehicle where students enroll
  - b. Student Handbook
  - c. College catalog
  - d. All student and employee parking permits
2. Board Policy 3550 and Administrative Procedure 3550, Drug Free Environment and Drug Prevention Program.
3. Board Policy 3560 and Administrative Procedure 3560, Alcoholic Beverages
4. Board Policy 7360, Discipline and Dismissals- Academic Employees
5. Board Policy 7365, Discipline and Dismissals-Classified Employees
6. Board Policy 5500, Standards of Conduct (Students),
7. Administrative Procedures 5520, Student Discipline Procedures
8. A review of employee drug and alcohol-related incidents revealed no incidents during the time between 2018-2020.
9. A review of student drug and alcohol-related incidents revealed 17 cases in the time frame of May 23, 2018 to June 11, 2020.

10. Anti-Alcohol and other anti-drug services and educational activities included:

Annual 2018 and 2019 Annual Security Clergy Report

**Fall 2018 Student Health Services Booths**

Total Number of Students = 1,247

- Every 2 Minutes: Preventing Sexual Assault
- Sexual Assault Self Defense Class
- New Year! New YOU!
- De-Stress Fest

Total Number of Students = 959

**Arrive Alive Tour**

- UNITE have educational programs that are designed to heighten awareness to the dangers and consequences of drunk driving, distracted driving and texting while driving. Participants get into an actual vehicle (with battery disabled and car immobilized) and put on a virtual reality headset. Sensors are connected to the vehicle's gas/brake pedals and steering wheel, enabling the participant to experience distracted, drunk or drugged driving without the real-life consequences.

**Annual Health Fair 2018**
