Personal Achievement

What did you enjoy most about the ceremony?

“I enjoyed hearing the recipients' stories. It is fantastic to learn about different students and faculty across campus.”

“I enjoyed the community building. After not being to this event in a while, it made me feel so great to be there. After this event I am always so energized!!! The student testimonials are always so inspiring.”

“I enjoyed the supportive and enthusiastic environment, and Andi's facilitation of the speeches was perfect. the process was incredibly smooth, and the event did not seem too long or tedious in the least. The space was perfect for what we needed. It felt intimate yet not crowded. It was wonderful!”

How could we improve the guest experience for the ceremony?

“Perhaps add a 'photo booth' area where awardees, guests and family can take pictures. A backdrop would be a perfect setting. Maybe add the name of the person who nominated the student/educator ? “

“Have a more structured time frame for the speeches for the purposes of flow or have a way to have people take a break as the event was 3 hours of sitting for non-participants. And the room got very warm in the end.”

“Only suggestion is that perhaps the ceremony could be later in the day, that way it's more of a lunch. “
