Mt. San Antonio College Theater Department is proud to present Vanguard Repertory Company's award-winning adaptation of Shakespeare's Twelfth Night, or What You Will.

*"Adapted with 21st Century tastes in mind, this is a 12th Night certain to entertain even the most curmudgeonly of Shakespeare naysayers, and for those with a genuine fondness for the Bard (who don't mind a bit of trimming here and there), this 12th Night offers a ticket to Shakespeare heaven."*

Join us for this wild, fast-paced comedy about shipwrecked siblings forced to do just about anything to find each other again.

The best way to be part of our exceptional theater department is to audition! Hope to see you all there!

### Audition Criteria:

Those auditioning may either cold-read from the script when arriving, or prepare a short 1-minute monologue - ideally from one of Shakespeare's other plays. We encourage auditioning - even if you have no experience with Shakespearean text. Arrive at 6pm, and our stage management team will be happy to answer your further questions.
